MISSOURI DEPARTMENT OF REVENUE

Form 5830

Agreement for Delayed Delivery of Certificate of Ownership

This is a written agreement executed between the purchaser and licensed dealer acknowledging the sale of a motor vehicle without certificate of ownership being delivered at the time of sale. A Missouri licensed dealer may only use this agreement if the licensed dealer has filed a $100,000 surety bond or irrevocable letter of credit with the Department of Revenue pursuant to **Section 301.210, RSMo.**

Acknowledgments

Pursuant to Section 301.210.5, RSMo. the dealer and the purchaser(s) acknowledge "if the motor vehicle dealer does not pass the certificate of ownership with an assignment to the purchaser within thirty days that the sale shall be voidable at purchaser's option and, in such case, dealer shall repurchase the vehicle by paying and satisfying in full any purchase money lien against the vehicle, including accrued penalties and fees, with the remainder of one hundred percent of the sale price refunded and paid by the dealer to the buyer". The term "sale price" shall include the negotiated price of the vehicle, the down payment, the trade-in allowance even if the allowance reflected negative equity, and the price of all optional services and products sold to the buyer under the sales and finance transaction.

This agreement shall constitute prima facie evidence of an ownership interest vested in the purchaser for all purposes other than for a subsequent transfer of ownership of the vehicle by the purchaser, subject to any rights of any secured lienholder of record.

I, the undersigned dealer, affirm that certificate of ownership to the above vehicle will be delivered to the purchaser within 30 days of the date of sale indicated above in accordance with Section 301.210, RSMo.
