

The Commercial Driver License (CDL) waiver for farm-related service industries may be used by seasonal CDL drivers for farm retail outlets and suppliers, agri-chemical businesses, custom harvesters, and livestock feeders. This waiver allows a seasonal driver to obtain a restricted Class B or Class C CDL license without written or skills testing. The holder of a restricted CDL may operate a commercial motor vehicle only within a 150 mile radius of a place of business or farm being served.
