# General Information

Please refer to specific filing requirements and filing due dates each time you receive your Withholding Tax Voucher Book of reporting forms.

To ensure your tax records are protected and confidential, the Missouri Department of Revenue will not release tax information to anyone who is not listed in our records as an owner, partner, member, or officer for your business. If your partners, members, or officers change, you must update your registration with the Department by completing a Registration Change Request ([Form 126](#)), before tax information can be released to those new partners, members, or officers. Visit <http://dor.mo.gov/forms/126.pdf> to obtain Form 126. If you would like the Department to release tax information to an accountant, tax preparer, or another individual who is not listed on your account, please complete a Power of Attorney ([Form 2827](#)), which can be found at <http://dor.mo.gov/forms/2827.pdf>.

## Filing and Payment Options

**Pre-Printed Voucher Booklets** Upon registering with the Department employers filing on a monthly, quarterly or annual basis will automatically receive a pre-printed voucher booklet which indicates the employer's name, address, Missouri Tax I.D. Number, filing frequency and return due dates. The Department automatically mails new pre-printed voucher booklets each tax year to the address listed on file. If a booklet has not been received, contact the Department at (573) 751-5860 to update your address and request a book.

Employers may elect to electronically file their return rather than use the pre-printed forms in the voucher booklet. Employer's wishing to opt out of receiving a voucher booklet can complete and submit a Voucher Booklet Change Request ([Form 5311](#)) which is located within the voucher booklet. Any employer wishing to be added back to the annual mailing of voucher booklets must contact the Department at (573) 751-5860.

You can file and pay Employer's Return of Income Taxes Withheld ([Form MO-941](#)), online using a Credit Card or E-Check (Electronic Bank Draft). If no tax was withheld, visit <http://dor.mo.gov/business/withhold/> to file a zero withholding tax return online.

**Note:** You must have a valid Missouri Tax I.D. and PIN Number to file and pay using this system, and must know the Filing Period for which you are filing. See description of payment methods and fees below.

**Electronic Bank Draft (E-Check)** By entering your bank routing number, checking account number, and your next check number, you can pay online. There will be a minimal handling fee per filing period or transaction to use this service.

**Credit Card** This filing and payment system accepts MasterCard, Discover, Visa, and American Express. The convenience fees listed below will be charged to your account for processing the credit card payment:

<u>Amount of Tax Paid</u>	<u>Convenience Fees</u>
\$0.00-\$50.00	\$1.25
\$50.01-\$75.00	\$1.75
\$75.01-\$100.00	\$2.15
\$100.01 or more	2.15%

**Note:** The handling and convenience fees included in these transactions are being paid to the third party vendor, Collector Solutions Inc., **not** to the Department. By accessing this filing and payment system, the user will be leaving Missouri's website and connecting to the website of Collector Solutions, Inc. The website of Collector Solutions, Inc., is a secure and confidential website.

To file and pay online, please visit:  
<http://dor.mo.gov/business/payonline.php>

**TXP Bank Project (TXP)** TXP offers another option for filing your tax payments. It allows you to provide payment and report information to your bank. The bank, in turn, converts the information into a CCD+ format that allows it to transfer your return information along with your authorized ACH credit to the Department. The option is available to any Missouri taxpayer filing a Form MO-941.

Why should you use an alternative filing method? By utilizing e-check, credit card, or TXP Bank Project for filing your withholding tax return, you eliminate the possibility of postal delays and possible late filing or payment fees and the cost and time to generate, sign, and mail returns and checks. The Department saves processing and data entry costs associated with paper filings.

To learn more about any of these alternative filing methods, please write the Missouri Department of Revenue, P.O. Box 543, Jefferson City, Missouri 65105-0543, e-mail [elecfile@dor.mo.gov](mailto:elecfile@dor.mo.gov), or call (573) 751-8150. Access <http://www.dor.mo.gov/business/electronic.php> to obtain electronic filing information. Persons with speech or hearing impairments may use TTY (800) 735-2966 or fax (573) 526-1881.

## Filing a Return with No Tax to Report or Filing a Quarter-Monthly Reconciliation Online

If you have no employer withholding tax to report, you may visit <https://dors.mo.gov/tax/whtxonline/LogIn.jsp> to file a zero Form MO-941 electronically. You can also file your quarter-monthly reconciliation online at the same website.

## Withholding Formula

- Updated withholding tax information is included in each voucher book.
- The information is presented in an "easy to follow" worksheet to calculate withholding tax.
- Visit <http://www.dor.mo.gov/tax/calculators/withhold/> to try our online withholding tax calculator.

## Federal Income Tax Deduction

An individual's federal income tax deduction is limited to \$5,000 (\$10,000 on a combined return).

## Paperless Reporting

Employers with 250 or more employees must file on compact disc or flash drive. See page 11 for more information.

## Withholding Requirements for Nonresident Individual Partners and Shareholders

Partnerships and S corporations may be required to withhold Missouri income tax on nonresident individual partners and shareholders. If the partnership pays or credits amounts to nonresident individual partners as distributive shares of the partnership income for a taxable year of the partnership, or if the S corporation pays or credits amounts to nonresident individual shareholders as dividends or as their share of the S corporation's undistributed taxable income for the taxable year, withholding may be required. Withholding is not required if:

1. The nonresident partner or shareholder, not otherwise required to file a return, elects to have the Missouri income tax due paid as part of the partnership's or S corporation's composite return;
2. The nonresident partner or shareholder, not otherwise required to file a return, had Missouri assignable federal adjusted gross income from the partnership or S corporation of less than \$1,200;
3. The partnership or S corporation is liquidated or terminated;
4. Income was generated by a transaction related to termination or liquidation; or
5. No cash or property was distributed in the current or prior taxable year.

The required withholding must be remitted to the Department annually.

### Rounding on Missouri Returns

You must round the amounts that you withhold from your employees to the nearest whole dollar. For 1 cent through 49 cents, round down to the previous whole dollar amount (round \$32.49 down to \$32.00). For 50 cents through 99 cents, round up to the next whole dollar amount (round \$32.50 up to \$33.00). For your convenience, the zeros have already been placed in the cent columns on the returns.

## Missouri Income Tax Withholding Instructions

### 1. Employers

An employer is any person, firm, corporation, association, fiduciary of any kind, or other type of organization for whom an individual performs services as an employee, unless the person or organization for whom the individual performs service does not have control of the payment of compensation for the service ([Section 143.191, RSMo](#)). The term employer means the person, including all government agencies, who controls the payment of the compensation.

An employer required to withhold Missouri income tax is personally liable for the tax. Any amount of tax actually deducted and withheld by an employer is a special fund in trust for the Director

of Revenue ([Section 143.241, RSMo](#)). An employee does not have a right of action against the employer with respect to any money deducted and withheld from his or her wages if it is paid to the Director of Revenue in good faith compliance with the Missouri income tax law.

Transient Employers — [Section 285.230, RSMo](#), requires transient employers who temporarily transact any business in Missouri to file a financial assurance instrument with the Department to secure payment of withholding taxes.

Transient Employer Defined — A transient employer is an employer as defined in Sections 143.191, 285.230, and [288.032, RSMo](#), who: 1) makes payment of wages taxable under the Missouri Income Tax Law, the Workers' Compensation Law, and the Missouri Employment Security Law; 2) is not domiciled in Missouri; and 3) temporarily transacts any business within the state. If the transaction of business is not reasonably expected to continue for 24 consecutive months, the employer must register as a transient employer.

[Section 143.183, RSMo](#), requires a venue (venue is the entity that pays the entertainer) to withhold 2 percent of the gross compensation paid to nonresident entertainers who perform in Missouri if the gross compensation per event is in excess of \$300. If the venue withholds 2 percent of the gross compensation paid, the nonresident entertainer is no longer required to comply with the transient employer laws previously defined. The venue must file a [Form MO-2ENT](#) for each individual entertainer who performs at the venue's location. [Form MO-1ENT](#) must be filed on a quarterly basis with the Department which provides a total reconciliation of payments for individual entertainers during the quarter.

If the venue does not withhold 2 percent of the gross compensation paid to the nonresident entertainer who performed in the state, the professional entertainer is responsible for registering as a transient employer. Please use the following formula to compute Missouri withholding tax:

#### Total Performance Days in Missouri

Total Performance Days for the Year = Missouri Income Percentage  
Missouri Income Percentage x \*Total Income = Missouri Income  
Missouri Income x 6% = Missouri Withholding Tax

\*Total income includes regular professional entertainer salaries, wages, guaranteed payments, deferred payments, severance pay, and bonuses paid or any other compensation paid to the nonresident professional entertainer or business entity.

For more information concerning transient employers, contact the Department by e-mail at [businessstaxregister@dor.mo.gov](mailto:businessstaxregister@dor.mo.gov) or write the Taxation Division, P.O. Box 357, Jefferson City, MO 65105-0357.

[Section 143.091, RSMo](#), states that any term used in [Sections 143.011 to 143.996, RSMo](#), shall have the same meaning as when used in a comparable context in the laws of the United States relating to the federal income taxes, unless a different meaning is clearly required by the provisions of Sections 143.011 to 143.996, RSMo. Any reference in Sections 143.011 to 143.996, RSMo, to the laws of the United States shall mean the provisions of the laws of the United States relating to federal income taxes, as the same may be or become effective, at any time or from time to time, for the taxable year.

## 2. Employer Registration and I.D. Number

### A. Employer to Register for Withholding

Every employer paying wages to an employee working in Missouri must register with the Department. Employers may register electronically at <https://dors.mo.gov/tax/coreg/index.jsp> or by completing a paper Missouri Tax Registration Application (**Form 2643**). A permanent registration number will be assigned. This number is not transferable and should be referred to in all reports and correspondence concerning Missouri income tax withholding. If you have filed the registration application and have a report and payment due before you receive your registration number, write "Applied For" in the "Missouri Tax I.D. Number" box, list the name of the business exactly as it is on the registration application, and file the report timely to take advantage of the compensation deduction and to avoid interest and additions to tax charges. A new application is required and a new Missouri Tax I.D. Number will be assigned when any change in ownership or ownership type occurs. An employer who receives a new Missouri Tax I.D. Number as a result of a change in ownership type, must file a Final Report (**Form 5633**), Registration or Exemption Change Request (Form 126) or indicted on the last Form MO-941 to be filed to close the former account. Failure to close the former account will cause Non-Filer Notices to be issued.

Note: If your business is only open for several months out of the year, you may register as a seasonal employer. As a seasonal employer, you will only be required to file a Form MO-941 for the periods that you indicated you will have employees on Form 2643. (You may be considered a transient employer. Please refer to paragraph 1, "Transient Employer Defined".)

### B. Change in Organization or Ownership

A new Missouri Tax I.D. Number is required for most organizational or ownership changes. Contact the Department if any change in organization or ownership occurs. A new Missouri Tax I.D. Number can be obtained by registering online at <https://dors.mo.gov/tax/coreg/index.jsp> or by completing a Form 2643. You may e-mail [businesstaxregister@dor.mo.gov](mailto:businesstaxregister@dor.mo.gov) or you may call (573) 751-5860 for more information about registration requirements and how they apply to your specific situation.

### C. Employer With More Than One Payroll Unit — Complex Employer

If a consolidated report and remittance of the tax withheld cannot be made by the employer because of the complexity of the organization, branch offices or divisions may be designated as withholding agents. The withholding agents may perform the actual withholding and remitting. However, regardless of any internal arrangements that may be established by the complex employer, the legal responsibility and liability under the law still rests with the home office.

If the complex employer has designated withholding agents and the agents wish to claim the compensation deduction, only one agent is entitled to the full compensation deduction and the remaining agents are entitled to 1/2 percent compensation deduction of income taxes withheld if the returns are filed timely.

The home office must, in all cases, apply to the Department using a Form 2643 for a Missouri Tax I.D. Number so the deduction for compensation can be allowed.

## 3. Who are Employees?

The term "employee" for Missouri withholding purposes has the same meaning as it has for federal withholding (see Circular E, Employer's Tax Guide, published by the Internal Revenue Service). This definition is the same for Missouri residents and nonresidents.

## 4. What are Taxable Wages?

The term "wages" for Missouri income tax withholding purposes has the same meaning as it has for federal withholding (see Circular E, Employer's Tax Guide, published by the Internal Revenue Service). Wages include all pay given to an employee for services performed. The pay may be in cash or in other forms. Wages include salaries, vacation allowances, bonuses, and commissions, regardless of how measured or paid.

### A. Nonresident Employees Subject to Withholding

If a nonresident employee performs all services within Missouri, tax shall be withheld from all wages paid to him or her as in the case of a resident. If services are performed partly within and partly without the state, only wages paid for services performed within Missouri are subject to Missouri income tax withholding, provided the employee files with the employer a Certificate of Nonresidence or Allocation of Withholding Tax (**Form MO W-4A**). The employee may determine the portion of wages allocable to Missouri on the basis of the preceding year's experience.

If only a portion of an employee's wages is subject to Missouri income tax withholding, then the amount of Missouri tax required to be withheld is calculated using a percentage of the amount listed in the withholding tables. The calculation begins by determining the amount that would be withheld if all the wages were subject to Missouri withholding. This amount is then multiplied by a percentage that is determined by dividing the wages subject to Missouri withholding by the total federal wages.

Example: A nonresident earns \$20,000 in wages, \$12,000 from Missouri sources. Missouri withholding would be 60 percent ( $\$12,000 / \$20,000$  equals 60 percent) of the withholding required on \$20,000. Therefore, if \$100 per month should be withheld for an individual earning \$20,000, then for this nonresident, \$60 should be withheld each month ( $\$100 \times 60$  percent = \$60).

### B. Resident of Missouri Employed in Another State

A Missouri employer must withhold Missouri tax if its Missouri resident employee performs services in a state with an income tax rate that is lower than Missouri's. The employer will withhold and remit to Missouri the difference between the states' withholding requirements, unless the employee has completed Form MO-W-4C, Withholding Affidavit for Missouri Residents. This form relieves the employer of the responsibility for filing and submitting the difference to Missouri and places the responsibility on the employee. The MO-W-4C is not a required form; if the employee chooses not to complete the form, the employer is responsible for reporting the appropriate amount of withholding to Missouri. If only a portion of an employee's wages is subject to Missouri withholding tax, then the amount of Missouri tax required to be withheld is calculated using a percentage of the amount listed in the withholding tables. The calculation begins by determining the amount that would be withheld if all the wages were subject to Missouri withholding. This amount is then multiplied by a percentage that is determined by dividing the wages subject to Missouri withholding tax by the total federal wages.

Employee Completes W-4C Example: The employee performs 40 percent of his or her services in Kansas. The remaining 60 percent of the employee's services are performed in Missouri.

If the total withholding on all earnings is \$40 per month, the actual withholding for Missouri would be \$24 ( $\$40 \times 60$  percent = \$24).

### C. Missouri Employer with Nonresident Employees

If a nonresident employee performs all services outside Missouri, his or her wages are not subject to Missouri withholding. A

nonresident employee performing services in more than one state is subject to withholding as outlined in Section 4A.

Note: Missouri does not have a reciprocity agreement with any other state.

#### D. Household Employees

Missouri follows federal guidelines regarding Household Employee(s). Refer to the Internal Revenue Service for additional information at <http://www.irs.gov/>.

Employer(s) of Household Employee(s) are not required to withhold income tax from wages paid to a Household Employee(s); however, this is an agreement made between the employer and employee. If the employee elects to have withholding tax withheld on their wages, complete the Tax Registration Application (Form 2643) found on our website at <http://dor.mo.gov/business/> in order to report the taxes withheld on the Employer's Return of Income Taxes Withheld (Form MO-941).

For information concerning Business Tax Registration and the process to apply, as well as assistance for new businesses to understand all the requirements please visit our website at <http://dor.mo.gov/business/register/>. If you have additional questions or concerns, please contact the Business Tax Registration by e-mail at [businesstaxregister@dor.mo.gov](mailto:businesstaxregister@dor.mo.gov) and/or (573) 751-5860.

### 5. Interstate Transportation Employees

#### A. Rail, Motor, and Private Motor Carriers

49 USC Sections 11502 and 14503 limit state taxation on wages of employees of rail, motor, and private motor carriers. Missouri withholding is required on rail, motor, and private motor carrier employees whose state of residence is Missouri. Employees of rail carriers and motor carriers who perform regularly assigned duties in more than one state are subject to state income tax only in their state of residency.

#### B. Air and Water Carriers

49 USC Section 40116 limits taxation on wages of employees of air and water carriers to the employees' state of residence and to the state in which the employees earn more than 50 percent of the wages paid by the air or water carrier, if different from the state of residence.

### 6. Voluntary Withholding

#### A. Voluntary Withholding on Retirement, Pension, or Annuity Income

Every Missouri resident, including retired members of the armed forces, receiving retirement, pension, or annuity income in this state, may elect to have an amount withheld as a payment of state income tax provided such income is taxable in this state. The recipient should determine the amount to be withheld and file Withholding Certificate for Pension or Annuity Statements (**Form MO W-4P**) with the administrator of his or her retirement, pension, or annuity plan. For further information call (573) 751-3505. Withholding for active duty members of the armed forces is covered in Section 6.C.

#### B. Voluntary Withholding for Civil Service Annuitants

Civil service annuitants may elect to have state income taxes withheld from their regular annuity payments by contacting the Office of Personnel Management at (202) 606-0500.

#### C. Withholding for Active Duty Members of the Armed Forces

Section 143.191, RSMo, requires withholding by every employer maintaining an office or transacting any business within Missouri and making payment of any wages taxable under Sections 143.011 to **143.998, RSMo**. This also includes active duty pay to members of the armed services. For further information call (573) 751-3505.

Withholding for retired members of the armed forces is covered in Section 6.A.

Note: Visit <http://dor.mo.gov/forms/> for forms and more information about voluntary withholding.

### 7. Supplemental Wage Payments, Vacation Pay, Tips, and Lump Sum and Periodic Distributions

#### A. Supplemental Wage Payments

If supplemental wages are paid (such as bonuses, commissions, severance pay, overtime pay, back pay, including retroactive wage increases, or reimbursements for nondeductible moving expenses) in the same payment with regular wages, withhold Missouri income tax as if the total of the supplemental and regular wages were a single wage payment for the regular payroll period.

If supplemental wages are paid in a payment separate from regular wages, the method of withholding Missouri income tax depends in part on whether you withhold income tax from the employee's regular wages.

If you withhold Missouri income tax from the employee's regular wages, you may choose one of two methods for withholding income tax on the supplemental wages:

- 1) Withhold a flat percentage rate of 6 percent of the supplemental wages, using zero withholding allowances; or
- 2) Add the supplemental wages to the regular wages paid to the employee within the same calendar year for the payroll period and determine the income tax to be withheld as if the aggregate amount were one payment. Subtract the tax already withheld from the regular wage payment and withhold the remaining tax from the supplemental wage payment.

If you have not withheld income tax from the regular wages (e.g., when an employee's withholding exemption exceeds the employee's wages), you must use the method covered in Section 7, A.2. Add the supplemental wages to the regular wages paid within the same calendar year for the payroll period and withhold income tax on the total amount as if the supplemental wages and regular wages were one payment for a regular payroll period.

#### B. Vacation Pay

If an employee receives vacation pay for an absence, the vacation pay is subject to Missouri income tax withholding as if it were a regular wage payment made for the payroll periods during the vacation. If vacation pay is paid in addition to regular wages for the vacation period, the vacation pay is treated as a supplemental wage payment.

The vacation pay of an employee who is not a resident of Missouri, but works in Missouri, is subject to Missouri income tax withholding.

#### C. Tips

Employers must withhold Missouri income tax based upon total tips reported by the employee. Withhold Missouri income tax on tips using the same options indicated for withholding on supplemental wage payments in Section 7.A.

#### D. Lump Sum and Periodic Distributions

Missouri follows the federal guidelines for lump sum and periodic distributions. On lump sum distributions, withhold at the rate of 6 percent. If a periodic distribution, follow the formula on page 13, or use the tax tables provided on pages 17–26.

### 8. Determining Proper Amount to Withhold

To determine income tax withholding, take the following factors into account:

- 1) Wages paid during the payroll period, including tips and vacation pay;

- 2) Withholding allowances and filing status as indicated on the [Form MO W-4](#). (Only when using the tax formula.)
- 3) If an employee does not complete and turn in the required Form MO W-4, withhold using zero allowances at a single tax rate.

A. Employee Withholding Allowance Certificate (Form MO W-4)  
 In recent years, the Form MO W-4 has been simplified to allow employees to more easily and accurately forecast his or her tax liability. The revisions included additional withholding allowances for employees who use Head of Household as their filing status and additional instructions for married filers. The employee has the option to include his or her spouse as an allowance by indicating his or her spouse does not work. If the spouse does not work, the withholding will be more accurate if the employee indicates this on Form MO W-4. However, if this option is chosen and the employee's spouse becomes employed later in the year, the employee should revise Form MO W-4 to reflect that his or her spouse works. The employee also has the option to claim additional allowances for itemized deductions or other state tax deductions or credits that lower his or her tax.

Each employee is required to file a completed Form MO W-4 to determine the number of allowances that the employee is entitled. The Form MO W-4 will be used by the employer to determine the amount of Missouri income tax that must be withheld from each paycheck. If an employee has more than one employer, he or she should claim a smaller number, or no allowances, on each Form MO W-4 filed with employers other than his or her principal employer. This is to ensure that the total amount withheld will be closer to the actual income tax liability. Failure to reduce the Form MO W-4 allowances could cause an employee to have too little tax withheld and subject the employee to underpayment penalties. If an employee expects to have income other than his or her wages, he or she may request additional amounts be withheld in addition to the amounts indicated by the allowances claimed on the employee's Form MO W-4. The additional amount should be included on Form MO W-4, Line 6. Within 20 days of hiring a new employee, please mail a copy of the completed Form MO W-4 to the Missouri Department of Revenue, P.O. Box 3340, Jefferson City, MO 65105-3340 or fax a copy to (573) 526-8079. For additional information regarding new hire reporting, please visit <http://www.dss.mo.gov/child-support/employers/new-hire-reporting.htm>.

#### B. Exemption For Nontaxable Individuals

Exemption from withholding for nontaxable individuals is valid only if an employee submits to the employer a completed Form MO W-4 certifying that the employee has no income tax liability from the previous year and expects none for the current year. Employees must file a Form MO W-4 annually if they wish to continue the exemption.

Military Spouses Residency Relief Act Missouri income for services performed by a non-military spouse of a nonresident military servicemember is exempt from Missouri income tax. To qualify for this exemption, the spouse must reside in Missouri solely because the military servicemember is stationed in Missouri under military orders and be a permanent resident of another state.

If a non-military spouse of a nonresident servicemember completes a new Form MO W-4 to claim an exempt status because of the Military Spouses Residency Relief Act, employers must receive

verification from the non-military spouse that they are a resident of another state, and are living in Missouri because of military orders before the exempt status can be granted. Verification of military status can be in the form of a Leave and Earnings Statement of the nonresident military servicemember, Form W-2 issued to the

nonresident military servicemember, a military identification card, a spousal military identification card, or specific military orders received by the servicemember. Verification of residency can be in the form of a copy of a prior year's state income tax return filed in their state of residence, a prior year's property tax receipt from the state of residence, a current drivers license, vehicle registration, or voter identification card from the state of residency.

## 9. Withholding Tables and Formula

### A. Withholding Tables

Use the taxable wages to determine the amount of withholding. In determining the amount of tax to be withheld, use the table for the correct payroll period — daily, weekly, biweekly, semimonthly and monthly periods. Tables show wage brackets in the two left-hand columns. The withholding allowances are shown at the top of each of the remaining columns and correspond to the number of allowances claimed by an employee on the Form MO W-4. The withholding tables are provided at <http://dor.mo.gov/business/withhold/>.

### B. Percentage Formula Withholding

The formula on page 15 may be used on electronic data processing equipment for withholding Missouri income tax. Any variation from this formula must be approved in writing by the Director of Revenue.

## 10. Return and Payment of Taxes Withheld

Every employer withholding Missouri income tax from employees' wages is required by statute to report and remit the tax to the state of Missouri on Form MO-941. A separate Form MO-941 must be filed for each tax period according to your assigned filing frequency. A pre-printed voucher booklet detailing the employer's name, address, employer identification number, filing frequency, and due date is provided to each active account on a monthly, quarterly, or annual filing frequency. Quarter-monthly filers are required to file and pay by an alternative method. (See page 2.) If an employer misplaces, damages, or fails to receive the necessary reporting forms, replacement forms should be requested, allowing sufficient time to file a timely return. If a blank form is used, the employer's name, address, and Missouri Tax I.D. Number must appear as filed on previous returns and the period that the remittance is made must be indicated. Blank forms can be downloaded from the Department's website at: <http://dor.mo.gov/>. Failure to receive reporting forms does not relieve the employer of the responsibility to timely report and remit tax withheld. If an employer temporarily ceases to pay wages or is engaged in seasonal activities, a return must be filed for each period even if no tax was withheld. Failure to do so will result in the issuance of Non-Filer Notices.

All returns and remittances should be mailed to: Missouri Department of Revenue, P.O. Box 999, Jefferson City, MO 65108-0999. See address labels in voucher books. Returns and payments are due on the dates shown in Section 11.

Note: Your return is considered timely if it is postmarked on or before the required due date. If a metered postmark differs from the U.S. Postal Service postmark, the U.S. Postal Service postmark will be used as evidence of timely filing. When the due date falls on a Saturday, Sunday, or legal holiday, the return and payment will be considered timely if postmarked on the next business day.

## 11. Filing Frequency Requirements

Missouri income tax withholding returns must be filed by the due date as long as an account is maintained with the Department, even if there was no payroll for the reporting period. Returns must be filed each reporting period, even though there may not have been any tax withheld. If no tax was withheld, a zero withholding tax return may be filed online at <https://dors.mo.gov/tax/whtxonline/LogIn.jsp>.

There are three filing frequencies: monthly, quarterly, and annually. A newly registered employer is initially assigned a filing frequency on the basis of his or her estimation of future withholdings. If the assigned filing frequency differs from the filing requirements established by statute, it is the employer's responsibility to notify the Department immediately. The time for filing is as follows:

- 1) Monthly — Employers required to withhold \$500 per month for at least two months during the preceding 12 months shall file on a monthly basis;
- 2) Quarterly — Employers not required to file and pay taxes withheld on a monthly basis who withhold at least \$100 per quarter during at least one quarter of the preceding four quarters shall file on a quarterly basis;
- 3) Annually — Employers required to withhold less than \$100 during each of the preceding four quarters shall file on an annual basis.

Regardless of the employers filing frequency, only one Form MO-941 return should be filed per tax period. In the event an additional amount of tax must be paid, please refer to Section 13.

## 12. Quarter-Monthly

Any employer who withheld \$9,000 or more in each of at least two months during the prior 12 months shall remit payment to the Director of Revenue on a quarter-monthly basis. One of the alternative payment methods on page 2 must be used.

A quarter-monthly period means:

- 1) The first seven days of a calendar month;
- 2) The eighth to the fifteenth day of a calendar month;
- 3) The sixteenth to the twenty-second day of a calendar month;
- 4) The twenty-third day through the last day of a calendar month.

The employer must make a payment, at the end of each quarter-monthly period to pay 90 percent of the withholding due for the filing period. The payment must be made within three banking days following the end of the quarter-monthly period or deposited in a depository designated by the director within four banking days after the end of the quarter-monthly period. Banking days shall not include Saturday, Sunday, or legal holidays. The compensation authorized in [Section 143.261, RSMo](#), may be taken by the employer against the payment required to be made only if such payment is made on a timely basis.

As a quarter-monthly remitter you have the option to:

1. Pay 100 percent of the estimated quarter-monthly amount, as determined by the Department, within three banking days after the end of each quarter-monthly period (four times a month);

or

2. Pay at least 90 percent of the actual tax due by the due date of that particular quarter-monthly period. If there is not a payroll during a quarter-monthly period, no quarter-monthly payment voucher is necessary.

Any additional tax due at the end of the month must be paid on or before the due date of the monthly tax return.

Visit <http://dor.mo.gov/business/withhold/> for more information about alternative filing methods.

Example: An employer has a semi-monthly payroll cycle which falls on January 15 and on January 31. The actual Missouri income tax withholding for the January 15 payroll is \$12,000. The employer must remit at least 90 percent of the \$12,000 (\$10,800) with the 2nd quarter-monthly payment due no later than January 20. The actual Missouri income tax withholding for the January 31 payroll is \$15,000. The employer must remit at least 90 percent of the \$15,000 (\$13,500) with the 4th quarter-monthly payment due no later than February 3. Because the employer did not have a payroll during the 1st or 3rd quarter-monthly periods, a quarter-monthly payment does not need to be submitted for those two periods.

Example: An employer has only one monthly payroll period and it falls on January 20. The actual Missouri income tax withholding for the January 20 payroll is \$30,000. The employer must remit at least 90 percent of the \$30,000 (\$27,000) with the 3rd quarter-monthly payment due no later than January 26. Because the employer did not have a payroll during the 1st, 2nd, or 4th quarter-monthly periods, a quarter-monthly payment does not need to be submitted for those three periods.

The withholding tax return is due by the 15th day of the following month, except for the third month of a quarter, which is due the last day of the following month. If a balance is due, pay the remaining amount using TXP or online filing. Submit a withholding tax return by printing and mailing a Form MO-941 or online at <http://dor.mo.gov/business/withhold>. See page 2 for more information on alternative filing methods.

Any employer who has been placed on a quarter-monthly payment frequency who has not withheld \$9,000 or more in two months of the prior 12 months, may request permission from the Department to file and pay on a less frequent basis. An employer must file and pay on a quarter-monthly basis for a minimum of 12 months before requesting a change in filing frequency.

## 13. Under and Over Reporting of Withholding

If withholding tax has been under or over reported on any Form MO-941 filing, the employer must file an Amended Form MO-941. Indicate on the MO-941 if the form is an Amended.

Underpayments: Interest and additions to tax will be imposed on the underpaid portion according to established procedures. The Additions to Tax and Interest Calculator is located at <http://dor.mo.gov/calculators/interest/>.

Overpayments: Documentation supporting any overpayment must be submitted with any Amended Form MO-941. For example, if tax was withheld to Missouri and should have been withheld to another state, a W-2C must be provided. If the adjustment is due to a calculation error, a payroll ledger showing the correction must be provided. In other instances, the employer must provide a detailed explanation of the errors that occurred.

If the Department authorizes an overpayment, the overpayment may be used to offset a debt within your withholding tax account. Employers may review current withholding tax overpayments online at <http://dor.mo.gov/business/crediting/>. Any overpayment can be used on Line 3 of a future paper MO-941 return or issued back as

a refund upon completion of the Employer Withholding Tax Refund Request ([Form 4854](#)).

Claims for overpayment must be postmarked within three years from the date the return was filed or two years from the date the tax was paid, whichever period expires later. If no return was filed by the employer, a claim for credit or refund must be filed within two years from the time the tax was paid. No claim for credit or refund will be allowed after the expiration of the period of limitations prescribed in [Section 143.801, RSMo](#).

An Amended Form MO-941 may be obtained by accessing the Department's website at: <http://dor.mo.gov/forms/>, writing the Taxation Division, P.O. Box 3022, Jefferson City, MO 65105-3022, or calling (573) 751-5337.

## 14. Employer Compensation

Employers, except the United States, the state of Missouri, and all agencies and political subdivisions of the state of Missouri or the United States Government, may deduct and retain as compensation from remittances made to the Director of Revenue on or before the respective due dates for the payment involved, the following percentages of the total amount of tax withheld and paid annually.

COMPENSATION PERCENTAGE	YEAR-TO-DATE TOTAL JANUARY-DECEMBER
2%	0 to \$5,000
1%	\$5,001 to \$10,000
1/2%	In Excess of \$10,000

This is an annual accumulative total. After employers withhold \$10,000, they are entitled to one-half percent compensation for the balance of the year.

The employer is not entitled to compensation if payment is not made on or before the due date. If the compensation deduction is allowable, the deduction must be deducted on each return filed.

Notice to Quarter-Monthly Remitters: The compensation deduction authorized in Section 143.261, RSMo may be taken by the employer against the payment required to be made as long as the payment is made by the employer on a timely basis as provided in [Section 143.851, RSMo](#).

## 15. Missouri Works Training - New Jobs Training and Job Retention Training

Eligible employers and junior college districts may enter into a cooperative agreement establishing new jobs and job retention training projects with the approval of the Missouri Department of Economic Development. The program costs may be met by receipt of new jobs or job retention credit from withholding. An employer interested in this program should contact the Missouri Department of Economic Development, Division of Workforce Development, P.O. Box 1087, Jefferson City, MO 65102-1087, telephone (800) 877-8698.

## 16. Missouri Works Program

As an incentive for new job creation, employers meeting certain eligibility requirements may be allowed to retain a percentage of the withholding tax for each new job created. An employer interested in this program or tax credit should contact the Missouri Department of Economic Development, Business and Community Services Finance Management at P.O. Box 118, Jefferson City, MO 65102-0118, telephone (573) 751-4539 or send an e-mail message to [dedfin@ded.mo.gov](mailto:dedfin@ded.mo.gov). Additional information may also be found at <http://ded.mo.gov/>.

## 17. Delinquent Returns and Payments — Penalty, Interest, Additions to Tax

1. Interest at the rate of 3 percent for calendar year 2016, (.0000822 daily rate computation) must be included on all payments of tax not filed on a timely basis pursuant to [Section 143.731, RSMo](#). Interest is subject to change on an annual basis pursuant to [Section 32.065, RSMo](#).
2. An employer's failure to file a required return timely, unless due to reasonable cause and not to willful neglect, will result in additions to tax of 5 percent per month or fraction thereof, not to exceed 25 percent per [Section 143.741\(1\), RSMo](#).
3. A deficiency is subject to additions to tax of 5 percent, if the deficiency is due to negligence or disregard of rules and regulations, or 50 percent if the deficiency is due to fraud per [Sections 143.751\(1\) and \(2\), RSMo](#).
4. Failure to pay tax timely will result in additions to tax of 5 percent per [Section 143.751\(3\), RSMo](#).
5. A person who willfully fails to collect, account, or pay withheld taxes is subject to a penalty equal to the amount not paid per [Section 143.751\(4\), RSMo](#). In addition, any officer, director, or statutory trustee of any corporation who has direct control, supervision, or responsibility for filing returns and making payments of the tax, who fails to file or make payment, shall be personally assessed the tax, including interest, additions to tax, and penalties per [Section 143.241.2, RSMo](#).
6. Criminal penalties are also provided in [Sections 143.911 to 143.951, RSMo](#).
7. A Certificate of Tax Lien may be filed for record with the recorder's office. The lien shall be filed on the date an assessment becomes final and shall attach to all real and personal property owned by or acquired by the taxpayer. A Certificate of Tax Lien may also be filed with the clerk of the circuit court and shall have the force and effect of a default judgment pursuant to [Section 143.902, RSMo](#).

## 18. Failure to Pay Taxes Withheld

Any employer who fails to remit income tax withheld or to file tax returns as required, may be required to deposit the taxes in a special trust account for Missouri (see [Section 32.052, RSMo](#)). Penalties are provided for failure to make payment. If the Director of Revenue finds that the collection of taxes required to be deducted and withheld by an employer may be jeopardized by delay, he or she may require the employer to remit the tax or make a return at any time. A lien outstanding with regard to any tax administered by the director shall be a sufficient basis for this action (see [Section 143.221.4, RSMo](#)). Effective August 28, 2004, any business with a retail sales tax license who fails to pay withholding tax is subject to license revocation.

### Personal Liability

Any officer, director or statutory trustee of any corporation, including administratively dissolved corporations, or foreign corporations that have had their certificate of authority revoked, subject to the provisions of Sections 143.191 to [143.265, RSMo](#), who has the direct control, supervision, or responsibility for filing returns or making payment of the amount of tax imposed in accordance with Sections 143.191 to 143.265, RSMo, and who fails to file such return or make payment with the Director of Revenue, shall be personally assessed for such amounts, including interest, additions to tax, and penalties (see Section 143.241.2, RSMo).

## 19. Statements for Employees

Two copies of the Wage and Tax Statement (Form W-2) shall be provided to each employee to whom wages were paid and were subject to withholding tax whether or not tax was withheld from such payments. Wages include sickness or injury payments made by an employer under wage continuation plans, whether paid in cash or otherwise.

The Form W-2 supplied by the Internal Revenue Service must be used for this purpose unless the employer uses a substitute form approved in writing by the Department.

If it becomes necessary to correct Form W-2 after it has been issued to an employee, two corrected Form W-2s should be issued to the employee and a copy mailed to the Department. The new copies must be clearly marked "Corrected by Employer."

In case a Form W-2 is lost or destroyed, a substitute copy must be issued to the employee and must be clearly marked "Reissued by Employer."

Form W-2 and the Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc. (Form 1099-R), must be provided to the employee on or before January 31 of the following calendar year for which the Form W-2 or Form 1099-R applies. File Form 1099-R for each person to whom you have made any designated distribution from profit-sharing or retirement plans, IRAs, annuities, pensions, etc., whether or not you withheld Federal or Missouri income tax.

## 20. Final or Annual Report of Income Tax Withheld

### A. Annual Report

On or before the last day of February, each employer must file copies of all withholding statements, Form W-2 or Form 1099-R, Copy 1, for the year, along with the Transmittal of Tax Statements (**Form MO W-3**). These copies must also be accompanied by a list, preferably an adding machine tape or a computer printout, of the total amount of the income tax withheld as shown on all "Copy 1s" of Form W-2 and Form 1099-R.

Send Form W-2(s) and Form 1099-R(s) and Form MO W-3 to the Missouri Department of Revenue, P.O. Box 3330, Jefferson City, MO 65105-3330 in convenient size packages. Each package must be identified with the name and account number of the employer, and the packages must be consecutively numbered.

Do not include the fourth quarter or 12th month return with the Form W-2(s) or Form 1099-R(s) and Form MO W-3. The last annual remittance must be sent separately with Form MO-941.

Any employee copies of Form W-2(s) or Form 1099-R(s) that were returned to the employer as undeliverable must be kept by the employer for at least four years.

Failure to file a timely duplicate Wage and Tax Statement (Form W-2) is subject to a penalty of \$2 per statement not to exceed \$1,000, unless the failure is due to reasonable cause and not willful neglect per [Section 143.741\(2\), RSMo.](#)

### B. Paperless Reporting

Employers with 250 or more Form W-2s must file on either a compact disc or flash drive. The Department's paperless reporting format conforms with the Specifications for Filing Forms Electronically (EFW2) format used by the Social Security Administration. The necessary fields included in the EFW2 format specifications are listed on page 12. The Department is unable to accept electronic filing of W-2 information. Employers with fewer than 250 W-2s can either file by compact disc or flash drive or by submitting paper Form W-2s to the Taxation Division, P.O. Box 3330, Jefferson City, MO 65105-3330.

Please file the Transmittal of Tax Statements (Form MO W-3) with your paper Form W-2(s) and Form 1099-R(s) or your paperless reporting method.

If you already included the Codes RE and RS records on your Social Security Administration file, you may copy that information onto a compact disc or flash drive and send to the Department. Otherwise you must add the Codes RE and RS records. The additional data specifications for paperless reporting required by the state of Missouri are listed on page 12. If you have any questions regarding the reporting of your Form W-2s, please call (573) 751-3505.

For information regarding Form MO-99 MISC. reporting, please visit <http://www.dor.mo.gov/faq/business/withhold.php>. Scroll the FAQs to the heading of "Information at Source Reporting".

The Department will not provide notification when paperless information is processed; nor will the Department return compact discs or flash drives to the employer.

### C. Form W-2 Corrections

If after you have filed your Form W-2(s) and Form MO W-3, you discover an error in Line 17 or the original W-2(s), and need to file a Form W-2C(s) you must correct it by remitting an amended Form MO-941. This form must be used to increase or decrease any previously reported tax amounts. Attach a copy of the Form W-2C(s) to the amended Form MO-941 and Form W-3. If you have discovered an incorrect figure was indicated on the original Form MO W-3; however, no changes need to be made to the amount of withholding; submit a new Form MO W-3 with the correct figures and check W-3 Corrected on the top left corner.

Note: Do not send copies of W-2C(s), if no change in withholding tax liability.

### D. Combined Federal/State Filing (CF/SF) Program with the Internal Revenue Service

Missouri does participate in the Combined Federal/State Filing (CF/SF) Program which allows you to only file miscellaneous income to the Internal Revenue Service. Through the program, the Internal Revenue Service, Information Returns Branch (IRS/IRB) will forward original and corrected information returns filed electronically to the Department free of charge for approved filers. Separate reporting to Missouri is not required.

The information returns that may be filed under the Combined Federal/State Filing Program are:

For additional information regarding this program, please review the Internal Revenue Service's website <http://www.irs.gov/taxtopics/tc804.html> Tax Topic 804.

## 21. Closing a Withholding Account and Final Report

An employer must notify the Department to close its withholding tax account. The Department will not automatically close the account because it stops making payments and filing returns. An employer should close its withholding account if any of the following occur:

- It permanently stops doing business;
- It permanently stops having employees; or
- It has a major change in business, such as forming a partnership or joining others to form a corporation.

To close the account, use the Final Report (Form 5633), Registration or Exemption Change Request (Form 126) or indicate on the last Form MO-941 to be filed. Failure to notify the Department to close the account will cause estimated billings to be issued. If a Non-Filer Notice is received, the employer must report and remit the actual amount withheld to the Department.

## 22. Records to be Kept by Employers

The following records must be retained for all employees:

- 1) Name, address, social security number, and period of employment;

- 2) Amounts and dates of all wage payments subject to Missouri income tax withholding;
- 3) Employee's state income tax withholding allowance certificate;
- 4) Employer's state income tax withholding registration number;
- 5) Record of quarter-monthly, monthly, quarterly, and annual returns filed including dates and amounts of payments;
- 6) Records that would assist the Department in auditing the employer's records.

All records should be kept for at least three years after the date the taxes to which they relate become due, or the date the taxes are paid, whichever is later.

In addition to the records listed above, all records of the allocation of working days in the state of Missouri must be retained for all nonresident employees.

## Employer Withholding Tax Frequently Asked Questions

Q. What is the timely compensation deduction?

A. Employers who are not government agencies or political subdivisions may receive a deduction if their Employer's Return of Income Taxes Withheld (Form MO-941) is timely filed and timely paid. The timely compensation begins at 2 percent and is reduced to 1 percent once the employer's year-to-date withholding reaches \$5,000. The amount of compensation deduction is reduced to one-half percent once the year-to-date withholding reaches \$10,000.

For example, if my employer withholding tax is \$4,000 for the month of January, I will receive a 2 percent timely compensation if timely filed and timely paid. If my February withholding tax is \$4,000, (my year-to-date withholding tax would be \$8,000), I will receive a 2 percent compensation deduction for \$1,000 and a 1 percent compensation deduction for the remaining \$3,000 of the February withholding tax if timely filed and timely paid.

Q. How do I file a corrected withholding tax return?

A. If you have overpaid or underpaid your withholding tax, file an Amended Form MO-941.

Q. How can I take a credit if I have an overpayment?

A. When you receive confirmation from the Department that an overpayment exists on your withholding account, you may claim it on line three of your next Form MO-941 return. If you have a delinquency, the Department will automatically apply your overpayment to the balance due.

Q. When do I need to send copies of my Form W-2(s) to the Department?

A. You must send your Form W-2(s) to the Department with Form MO W-3 on or before the last day of February. You may send copies of Form W-2(s) to the Department if you have less than 250 Form W-2s. If you have 250 or more Form W-2s, see page 12 for compact disc or flash drive specifications.

## Checklist For Filing Form W-2s

- ✓ Form W-2s must be provided to the employee on or before January 31.
- ✓ If you have less than 250 Form W-2s, you may send copies or use the compact disc or flash drive filing options.
- ✓ If you have 250 or more Form W-2s, you must file Form W-2s by compact disc or flash drive.
- ✓ You must enclose Form MO W-3 with your Form W-2s or your compact disc or flash drive.
- ✓ Mail Form MO W-3 and Form W-2s or your compact disc or flash drive to the Missouri Department of Revenue, P.O. Box 3330, Jefferson City, Missouri 65105-3330 on or before February 28.

The Missouri Department of Revenue will accept compact discs or flash drives containing records for reporting wage information. ## 2016 Missouri Withholding Tax Formula

### Step 1—Using Annual Amounts

(Refer to Federal Publication 15 for questions concerning gross taxable income or federal withholding tax.)

1. Gross Income — Determine the employee's total wages for the payroll period. Multiply this amount by the number of payroll periods you have in a year. The result is the employee's annual wage. (Multiply by: 260 if you pay daily, 52 if you pay weekly, 26 if you pay bi-weekly, 24 if you pay semi-monthly, or 12 if you pay monthly.)

Note: If the employee has supplemental or overtime pay, see the withholding procedures outlined below.

2. Standard Deduction (annual amounts)

Single: \$6,300

Married and Spouse Works: \$6,300

Married and Spouse Does Not Work (this is determined by the check box on Form MO W-4, Line 2, and is not a separate filing status): \$12,600

Head of Household: \$9,300

3. Form MO W-4 Allowances (annual amounts)

Single or Married and Spouse Works: \$2,100 for the first allowance and \$1,200 for each additional allowance.

Married and Spouse Does Not Work: \$2,100 for the first allowance, \$2,100 for the second allowance (for the non-working spouse) and \$1,200 for each additional allowance.

Head of Household: \$3,500 for the first allowance and \$1,200 for each additional allowance thereafter.

4. Federal Withholding — Determine the amount of the employee's total federal income tax withheld for the payroll period. Multiply this amount by the number of payroll periods you have in a year. The result is the employee's annual federal income tax withheld. An individual's federal income tax deduction is limited to \$5,000 (\$10,000 if a combined return). These limitations should be applied on an aggregate basis. (Multiply by: 260 if you pay daily, 52 if you pay weekly, 26 if you pay bi-weekly, 24 if you pay semi-monthly, or 12 if you pay monthly.)

Note: The maximum federal income tax deduction for a married filer, spouse not working, is \$10,000. If the spouse is working, the maximum limit should be calculated using \$5,000.

Determine if the spouse is working by the check boxes on Form MO W-4, Line 2.

5. Missouri Taxable Income — Subtract the total annual amounts of numbers 2, 3, and 4 from the total annual gross income of number 1. The result is the employee's Missouri taxable income.

### Step 2

1. Missouri Withholding Tax — Multiply the employee's Missouri taxable income by the applicable annual payroll period rate. Begin at the lowest rate and accumulate the total withholding amount for each rate. The result is the employee's annual Missouri withholding tax.

2. Missouri Withholding Tax Per Payroll Period — Divide the employee's annual Missouri withholding amount by: 260 if you pay daily, 52 if you pay weekly, 26 if you pay bi-weekly, 24 if you pay semi-monthly, 12 if you pay monthly. The result is the employee's Missouri withholding tax per pay period.

Rounding on Missouri Withholding Reports. You must round the amounts that you withhold from your employees to the nearest whole dollar.

to access our online withholding tax calculator.

### Supplemental Pay Withholding

If the employee has supplemental or overtime pay, and the payment is included with normal wages, apply the withholding formula to the total payment as if it was a regular payroll wage payment.

If the employee has supplemental or overtime pay and the overtime wages are paid separately from regular wages, you may withhold based upon one of the following two methods.

- Withhold a flat percentage rate of 6 percent of the supplemental wages; or
- Add the supplemental wages to the regular wages paid for the payroll period and apply the withholding formula to the total amount as if it was a regular payroll wage payment. Then subtract the tax already withheld from the regular wage payment and withhold the remaining tax from the supplemental payment.

## Income Tax Withholding Percentage Tax

Rates	Daily Payroll Period	Weekly Payroll Period	Bi-Weekly Payroll Period
1.5%	\$ 0.00 to \$ 4.00	\$ 0.00 to \$ 20.00	\$ 0.00 to \$ 38.50
2.0%	4.01 to 8.00	20.01 to 40.00	38.51 to 77.00

Note: By agreement between the employee and the employer, the employee may designate additional withholding per pay period if he or she expects to owe more than the amount withheld. Additional amount of withholding may be claimed on Line 6, of the Employer's Withholding Allowance Certificate (Form MO W-4).

### Missouri Withholding Formula Example

Employee is married claiming two allowances  
(spouse works)

<i>Annual Gross Income</i>	\$30,000.00				
<i>Annual Standard Deduction</i>	- 6,300.00	<i>(annual standard)</i>			
		<i>(\$12,600 ÷ 2 = \$6,300)</i>			
<i>Annual MO W-4 Allowances</i>	- 3,300.00	<i>(\$2,100 for 1st &amp; \$1,200 for 2nd)</i>			
<i>Federal Income Tax Withheld</i>	- 1,360.00				
<i>Missouri Taxable Income</i>	\$19,040.00				

### Income Tax Withholding Percentage Table (Annual Payroll Period)

<i>\$1,000.00</i> x1.5%	<i>=\$15.00</i>				
<i>1,000.00</i> x2.0	<i>=20.00</i>			<i>\$ 19,040.00</i>	
<i>1,000.00</i> x2.5	<i>=25.00</i>			<i>- 9,000.00</i>	
<i>1,000.00</i> x3.0	<i>=30.00</i>			<i>\$ 10,040.00</i>	<i>EXCESS</i>
<i>1,000.00</i> x3.5	<i>=35.00</i>			<i>x 6%</i>	
<i>1,000.00</i> x4.0	<i>=40.00</i>			<i>\$ 602.40</i>	
<i>1,000.00</i> x4.5	<i>=45.00</i>			<i>\$ 602.40</i>	
<i>1,000.00</i> x5.0	<i>=50.00</i>			<i>+ 315.00</i>	
<i>1,000.00</i> x5.5	<i>=55.00</i>			<i>\$ 917.40</i>	<i>Annual Missouri Withholding</i>
<i>\$9,000.00</i>	<i>\$ 315.00</i>				

*\$917.40 ÷ 12 = \$76.00 Monthly Missouri Withholding  
(Rounded to the nearest whole dollar.)*

## Tips

- Make employees aware of their option to change or update their Form MO W-4.
- If employees have overtime pay, use the appropriate formula for supplemental pay withholding.
- If the employee is married, but spouse does not work, apply the full standard deduction and the total amount of federal tax using the \$10,000 maximum limit.

**Employee Information — You Do Not Pay Missouri Income Tax on all of the Income You Earn!**

Visit <http://www.dort.mo.gov/tax/calculators/withhold/> to try our online withholding calculator.

Form MO W-4 is completed so you can have as much "take-home pay" as possible without an income tax liability due to the state of Missouri when you file your return. Deductions and exemptions reduce the amount of your taxable income. If your income is less than the total of your personal exemption plus your standard deduction, you should mark "Exempt" on Line 7 above. The following amounts of your annual Missouri adjusted gross income will not be taxed by the state of Missouri when you file your individual income tax return.

Single	Married Filing Combined	Head of Household
\$2,100 — personal exemption	\$ 4,200 — personal exemption	\$ 3,500 — personal exemption
\$6,300 — standard deduction	\$12,600 — standard deduction	\$ 9,300 — standard deduction
\$8,400 — Total	\$16,800 — Combined Total (For both spouses)	\$12,800 — Total
+ \$1,200 for each dependent	+ \$1,200 for each dependent	+ \$1,200 for each dependent
+ up to \$5,000 for federal tax	+ up to \$10,000 for federal tax	+ up to \$5,000 for federal tax

**Items to Remember:**

- If your filing status is married filing combined and your spouse works, do not claim an exemption on Form MO W-4 for your spouse.
- If you and your spouse have dependents, please be sure only one of you claim the dependents on your Form MO W-4. If both spouses claim the dependents as an allowance on Form MO W-4, it may cause you to owe additional Missouri income tax when you file your return.
- If you have more than one employer, you should claim a smaller number or no allowances on each Form MO W-4 filed with employers other than your principal employer so the amount withheld will be closer to your amount of total tax.
- If you itemize your deductions, instead of using the standard deduction, the amount not taxed by Missouri may be a greater or lesser amount.
- If you are claiming an "Exempt" status due to the Military Spouses Residency Relief Act you must provide one of the following to your employer: Leave and Earnings Statement of the non-resident military servicemember, Form W-2 issued to the nonresident military servicemember, a military identification card, or specific military orders received by the servicemember. You must also provide verification of residency such as a copy of your state income tax return filed in your state of residence, a property tax receipt from the state of residence, a current drivers license, vehicle registration or voter ID card.
