t	Anytime a Secure Power of Attorney is used, the Missouri purchasing dealer must either: 1) Apply for title in the dealership's name, submitting the Secure Power of Attorney with their application for title; or 2) Give the subsequent purchaser a copy of the Secure Power of Attorney which must then accompany the certificate of title. (By submitting the power of attorney form along with a copy of the front and back of the corresponding Certificate of Title and the dealer's monthly sales reports, the dealer may avoid retitling the vehicle.) If the dealer's monthly sales reports are filed electronically, the power of attorney forms and title copies must be submitted to the Motor Vehicle Bureau by the fifteenth day of the month following the month in which the sales occurred. If you have any questions, please call the Motor Vehicle Bureau at (573) 526-3669.
