Top Ten Reasons Why Applications are Rejected

The following are the main reasons title applications are rejected by the Motor Vehicle Bureau. **Please be sure to complete all items on the title application.**

- Transactions that are incomplete or incorrect will be returned to the lienholder or applicant for correction.
1. Complete name and address, year, make, and vehicle identification number and purchase date must be shown on the application.
 2. Descriptive notarized lien release on the lienholder's letterhead or a *Notice of Lien, Lien Release, or Authorization to Add/Remove Name From Title* ([Form-4809](#)) must be submitted (must contain the year, make, vehicle identification number, lien release date, and signature of the authorized agent).
 3. The title application was not signed by at least one owner.
 4. Original Manufacturer's Statement of Origin or assigned title was not submitted.
 5. Type or hand write all applications so each copy of the application is legible.
 6. Ensure that the correct taxes and fees are submitted with each transaction. **DO NOT SEND CASH.**
 7. Remind customers that to avoid a title penalty they must submit their application for title and pay state and local taxes within 30 days of the purchase date for motor vehicles, trailers, all-terrain vehicles, and manufactured homes or within 60 days of the purchase date for vessels (watercraft) and outboard motors.
 8. Remind customers that a properly assigned ownership document must be obtained from the seller at the time of purchase.
 9. Ensure the assignment on the surrendered certificate of title or Manufacturer's Statement of Origin is complete by including the following:
 - The signature(s) of all owners on the face of the document;
 - The signature of at least one purchaser, if applicable;
 - The odometer reading, if applicable;
 - The purchase price;
 - The date of sale; and
 - The lien date and the lienholder name and address.
 10. When submitting a *Bill of Sale/Even- Trade Bill of Sale* ([Form-1957](#)) instead of a certificate of title for a vessel (watercraft) please ensure it contains a complete description of the unit, purchase price, date of sale, and purchaser's name and address.

The law also prohibits states from releasing personal information for bulk distribution for surveys, marketing, or solicitation unless a signed, notarized consent form from the record holder is submitted with each request. Exempt entities and persons who qualify must complete, sign, and submit a notarized *Request for Security Access Code* ([Form-4678](#)).
