Dear Taxpayers:

The Department of Revenue sincerely appreciates your patience as we process this year's tax filings. Our goal is to ensure that your taxes are processed quickly, accurately – and most importantly – securely. In general, you should allow 6-8 weeks to receive a refund. If you have general questions about the status of your return or you haven't received a refund after 8 weeks, feel free to contact us at 573-526-TAXX(8299). Online inquiries are also an option via the Department of Revenue's website.

Missouri taxpayers should also be aware that tax fraud is of particular concern this time of year. If you believe that your identity has been compromised during the tax filing process, contact the Department of Revenue at 573-751-3505 or refer to our [Identity Theft webpage](#). The webpage also contains various tips to prevent identity theft.

Again, we appreciate your patience during tax season and remain available to assist you with your individual and business tax filings.

Sincerely,
