

## Electronic Payment Options For Quarter-Monthly (Weekly) Withholding Tax Filers

Income tax withheld by your company falls within the provisions of [Section 143.225, RSMo](#), which requires you to electronically submit Missouri withholding tax payments on a quarter-monthly basis. Quarter-Monthly periods are defined as:

1. The first seven days of the calendar month.
2. The 8th to the 15th day of the calendar month.
3. The 16th to the 22nd day of the calendar month.
4. The 23rd day to the end of the calendar month.

As a quarter-monthly filer, you are required to pay at least 90 percent of the actual tax due within three banking days following the end of the quarter-monthly period. If there is not a payroll during a quarter-monthly period, no quarter-monthly payment is necessary. Your monthly Employer's Return of Income Taxes Withheld (Form MO-941), reporting your actual withholding tax liability for the month, is still due on the 15th of each month (or the next business day if the 15th falls on a weekend or holiday) following the month you collect the taxes, and at the end of the month following the third month of the quarter. Any additional tax due must be paid on or before the due date of the monthly tax return. See the Employer's Tax Guide ([Form 4282](#)) for additional information regarding quarter-monthly payments.

All employers subject to the requirement of quarter-monthly filing must file and pay employer withholding tax electronically. Quarter-monthly filers must submit an Employer's Return of Income Taxes Withheld (Form MO-941), after making quarter-monthly payments. Option 1 and Option 2 filers can choose to submit the reconciliation online through our website at: <https://mytax.mo.gov/rptp/portal/home/fileandpaybusinessstaxesonline>. Because of the electronic filing requirement, paper returns and payment vouchers will no longer be available for quarter-monthly filers. Amended returns, however, must still be submitted by paper. Blank copies of amended returns are available at: <http://dor.mo.gov/forms/>.

### Option 1:

Quarter-Monthly filers can make withholding tax payments online using a credit card or Electronic Bank Draft ( E-Check) through our website <https://mytax.mo.gov/rptp/portal/home/fileandpaybusinessstaxesonline>.

- All valid withholding tax filers (with account in an active status) can use this system.
- The system will ask for your Missouri Tax Identification Number, tax period, and the amount of payment.
- Other payment information will be needed such as name, address, credit card number, or bank routing and account number, etc.
- A payment can be scheduled up to 45 days in advance.
- The postmark date of the transaction is the date the payment is effective.
- The payment will process within 2-3 working days of the effective date.
- The monthly Form MO-941 reconciliation can be submitted using this online system after all Quarter-Monthly payments have been made for that month.

### Option 2:

Quarter-Monthly filers May also elect to make their withholding tax payments using the Automated Clearing House Credit (ACH) method.

- To make payments through the ACH Credit Payment method, you must make arrangements with your financial institution or service provider to originate the transaction and pay the associated costs.
- You must work with your financial institution or service provider to ensure that the required "TXP" tax information is transmitted with the payment. The Electronic File Specifications and Record Layouts for EFT of Business Tax Return and Payment Using ACH Credit with TXP Addendum ([Form 4585](#)) may be used for reference.
- After sending a pre-notification test, please contact the Department at (573) 751-8150 to verify if the test was successful.
- The postmark date of the transaction is the Federal Reserve settlement date.
- Work with your financial institution or service provider to ensure payments are timely.
- If you have questions regarding electronic payment options, call (573) 751-8150.
