MISSOURI DEPARTMENT OF REVENUE  
**INDIVIDUAL CONSUMER'S USE TAX INSTRUCTIONS**

**This form is not intended for use by businesses. Businesses that have a use tax liability should contact the Department of Revenue. See the address and phone number below.**

**What is Consumer's Use Tax?** Consumer's use tax is a tax imposed on goods purchased for storage, use, or consumption in Missouri from out-of-state sellers who are not registered with the state of Missouri to collect the tax. Consumer's use tax laws are very similar to sales tax laws.

**What is Taxable?** When a Missouri purchaser buys tangible personal property from a seller located outside the state of Missouri totaling **more than \$2,000** in a calendar year and Missouri use tax has not been charged and collected by the seller, you are subject to the payment of use tax (unless the property is purchased for resale or otherwise exempt by statute). Use tax is computed on the purchase price of the goods. Example:

Mr. Smith, located in Unionville, Missouri, purchases cleaning supplies from two companies, Company X and Company Y. Company X and Company Y are both located in Des Moines, Iowa, and do all their business in Missouri strictly by mail order. During October 2007, Mr. Smith purchased \$4,000 worth of merchandise from each company. Company X is registered with the Department of Revenue and collects the use tax on Mr. Smith's purchases. Company Y is not registered, does not collect the tax, and does not file a return with the state of Missouri.

Mr. Smith must file a consumer's use tax return indicating the amount of purchases (\$4,000) from Company Y and pay the use tax on those purchases applicable for Unionville, MO (\$4,000 x 4.225% = \$169). He must send his use tax return, along with a check, to the Missouri Department of Revenue.

**Out-of-state purchases which may be subject to use tax include:**

- Catalog purchases
- Magazine subscriptions
- Cross-border purchases of goods
- TV marketing purchases
- Computer software and hardware
- Mail-order supply purchases
- Furniture and equipment purchases from out-of-state sellers
- Purchases of goods bought over the Internet
- Purchases of goods bought over the telephone

**Why am I required to file?** When you make purchases from a company in Missouri, that company is responsible for collecting sales tax from you. When you make purchases from an out-of-state company, YOU are responsible for making sure use tax is paid. Either the out-of-state company collects the tax from you or you pay the tax directly to the state of Missouri.

**HOW TO FILE**

Compile a list of purchases made during 2007 for which you have not previously paid Missouri sales or use tax. This information is available from invoices, bills, credit card statements, cancelled checks, etc. The total of all purchases during the year that were not previously taxed must be used in computing the amount of use tax due on the above 2007 Individual Consumer's Use Tax Return. The due date for filing the return is April 15, 2008.

**TAXABLE PURCHASES/TAX RATE**

The tax rate you must use to figure your consumer's use tax due is determined by the use tax rate in effect where you reside. If there is a local option use tax rate applicable for your residential location, enter your taxable purchases on Line A and the applicable tax rate (**refer to table on reverse of form**). If there is not a local option use tax rate for your residential location, enter your taxable purchases on Line B and compute the amount due at the state use tax rate of 4.225%. You may be required to use both Lines A and B if you resided in different locations during 2007.

**CONSUMER'S USE TAX**

Multiply taxable purchases (Line(s) A and/or B) by the appropriate tax rate and enter the amount on Line(s) 1 and/or 2.

**TOTAL INDIVIDUAL CONSUMER'S USE TAX DUE**

Add Lines 1 and 2 and enter the amount on Line 3.

Make your remittance payable to Missouri Director of Revenue (U.S. funds only). Do not combine your use tax liability with your individual income tax liability or mail it with your individual income tax return. Do not send cash. **You may not use your individual income tax refund to pay your use tax liability.**

**Sign and date the return.**

**MAIL TO:** Department of Revenue  
P.O. Box 840  
Jefferson City, MO 65105-0840
