

MISSOURI DEPARTMENT OF

REVENUE**Notification of Bankruptcy Filing**

Taxpayer Name (Last, First, Middle Initial)

The above referenced taxpayer is attempting to register a motor vehicle or trailer with the Missouri Department of Revenue.

Section 301.025, RSMo requires the taxpayer to present a paid personal property tax receipt or tax waiver to the Department prior to the registration of a motor vehicle or trailer.

This office is unable to issue a personal property tax receipt or tax waiver at this time due to the existence of tax liabilities assessed prior to the filing of bankruptcy by the taxpayer (pre-petition personal property tax liabilities). This office is aware that, according to federal bankruptcy law, the Department may not withhold the registration of a motor vehicle during the time of a pending bankruptcy case solely on the basis of unpaid pre-petition personal property tax liabilities.

The taxpayer has provided this office with notice of bankruptcy filing and related schedules which list the tax liabilities owed to this office. This office has verified that the above referenced bankruptcy case is still pending. As of this date, there is no record of the taxpayer owing additional taxes to this office which were assessed after the date of the bankruptcy filing.

This form does not constitute a waiver of any personal property taxes which are currently due or which may be assessed on this taxpayer in the future.

I declare that the foregoing is true and correct.
