A Department search will be done by:
 - 1) Searching the Department files; or

- The Department will send a notification letter to the towing company within 15 working days after the search is completed with the following information:
 - 1) The name and address of the owner and lienholder; or
 - 2) Instructions if there is no record information available (please see below).

- If the Department has no record of the abandoned property, the towing company must certify that a physical search of the abandoned property disclosed no other evidence of ownership. The towing company must also certify that a good faith effort was made to establish the prior state of registration and title by checking the items below:

 - 2) The tow ticket or report of the tow operator to see if a license plate was on the abandoned property at the beginning of the tow, if a private tow; and
 - 3) The tow ticket or report of the tow operator to see if any information is indicated for the Driver, Owner, or Lienholder of the vehicle.
- Note: The Department will provide the tower with a notification letter to certify the above checks have been made. This certification must accompany the application for title.

Send all title applications on abandoned property to the address below.
Submit the following when applying for a title for an abandoned vehicle:

Important: Mileage must be shown on the application for title for vehicles model year 2011 and newer until the vehicle reaches the age of twenty years old. This must accompany the application for title.
