**TITLING A REBUILT MOTOR VEHICLE/OBTAINING A VEHICLE IDENTIFICATION NUMBER PLATE**

When you purchase a motor vehicle and a Salvage Certificate of Title has been assigned to you, you must have the vehicle examined by authorized law enforcement after you have completed the rebuilding process (see item four below). In some cases, the examination may reveal that your vehicle needs a new or replacement identification number plate. The requirements are outlined in this brochure.

You must submit the requirements outlined below before you can title your rebuilt vehicle. The new certificate of title that issues in your name will be designated as “Prior Salvage” on the face of the title. If you have any questions regarding the information outlined in this brochure, please call (573) 526-3669.

**TITLING REQUIREMENTS**

1. A Salvage Certificate of Title assigned to you;

   **NOTE:** If the title is not a “conforming” title that meets federal odometer disclosure requirements, you must attach an odometer disclosure statement to the salvage title for a vehicle less than 10 years old. You can obtain an Odometer Disclosure Statement form at the department’s website at http://dor.mo.gov/mvdl/motor/forms/3019.pdf.

2. A bill of sale indicating the purchase price of the vehicle;

3. An Application for Missouri Title and License (DOR-108) completed and signed;

4. A Vehicle Examination Certificate (DOR-551);

   **NOTE:** The white copy must accompany your application. The applicant should complete the top half of the form and the Missouri State Highway Patrol Inspector or other authorized officer must complete the bottom portion.

5. Notarized bills of sale in the applicant’s name for all major component parts listed in item 8 on the Vehicle Examination Certificate (DOR-551);

   **NOTE:** On the reverse side of the form are definitions of major component parts. Each descriptive bill of sale must also include the purchase price, year, make and vehicle identification number of the motor vehicle from which the parts were obtained.

You may purchase this form for $25.00 with a $2.50 processing fee applied from a license office, or from the Motor Vehicle Bureau, P.O. Box 2076, Jefferson City, MO 65105-2076. Upon receipt of the form, you must make an appointment with an authorized law enforcement agent to inspect the vehicle.
