Section 142.822 — (Motor Fuel Tax Law)

To claim a refund for the increased portion of the motor fuel tax paid on fuel used for on road purposes, the taxpayer must file a refund claim. Refund claims must be postmarked on or after July 1, but no later than September 30 following the fiscal year for which the refund is claimed. The Worksheet of Missouri Motor Fuel Tax Paid by Vehicle must accompany Form 4923-H. You must provide a separate worksheet detailing the fuel purchased for each vehicle by vehicle identification number (VIN). Motor fuel purchased for and consumed by a motor vehicle with a gross weight of 26,000 pounds or less is eligible.

Form Instructions

Lines 1 - 10:

- Vehicle Identification Number (VIN) Enter the VIN for each vehicle to be claimed for refund.
- Select box if Vehicle Does Not Exceed 26,000 Pounds Check the box to verify the vehicle claimed for refund has a gross weight of 26,000 pounds or less. This information can be found on the driver's side door jam information plate.
- Total Gasoline Gallons Enter the total gasoline gallons from all Worksheet of Missouri Motor Fuel Tax Paid by Vehicle forms completed for each VIN. A vehicle cannot have both gasoline gallons and diesel gallons.

- Line 11: Total Add Lines 1 through 10 for each column. If you have more than 10 vehicles for which you are filing a claim, electronic filing through the Department's portal is encouraged to reduce processing time. If you choose to file the claim via paper, complete an additional Form 4923H and attach the supporting documentation to that form.

Line 12: Refund Claimed - Enter the amount from Line 11.

Worksheet Instructions

- A separate worksheet will need to be submitted for each vehicle claimed. If more than one worksheet is needed for each vehicle, enter the total from all worksheets on Page 1 for the applicable VIN.
- Type of Fuel Select only one type per vehicle. If submitting a claim for tax paid on dyed diesel, the claimant must be a state, city, county, or local government or school district.
- Date Motor Fuel Purchased Enter the date the fuel was purchased. Fuel must be purchased between July 1 and June 30 for the reporting period.
