- That the manufactured home is abandoned as provided in <u>Section 700.526, RSMo</u>;
- The duration of abandonment;
- That the manufactured home is located on real estate owned by the real property owner;
- That the home is located on such real estate by reason of a valid rental agreement;
- That the homeowner is in default of the rental agreement;
- The amount of rent accrued to the date of the notice and the monthly rate at which future rent will accrue until the abandoned home is redeemed;
- That the homeowner has not paid or made arrangements for the payment of the accrued rent;
- That the real property owner claims a lien for all such rent;
- That the owner or lienholder of the manufactured home may redeem the abandoned manufactured home at any time during business hours by paying all rent accrued under the terms of the rental agreement;
- That the owner or lienholder of the manufactured home has a right to contest the real property owner's lien by filing, within ten (10) days of receipt of the notice required by this section, a petition in the associate circuit division of the circuit court in the county in which the manufactured home is located; and
- That if the manufactured home remains unredeemed 30 days from the date of mailing of the notice and within ten days of mailing of the notice a petition is not filed to contest the lien, the real property owner may apply to the director of revenue for a lien title.
