To title and register your vehicle, trailer, all-terrain vehicle, manufactured home, or marinecraft, you will need the following:

- Certificate of Title (signed over to you);
- Or, proof of ownership in accordance with the laws of your previous state where the vehicle is currently titled in your name.
- Signed Application for Missouri Title and License (Form 108);
- A current insurance identification card or other proof of financial responsibility;
- Either a statement of non-assessment or proof of paid personal property taxes from your Missouri county (or City of St. Louis) collector’s office;
- Identification number and odometer (ID/OD) or safety inspection, if applicable;
- General Affidavit (Form 768), if applicable; and
- Application for Motor Vehicle License (Form 184).

Additionally, you will be required to pay state (4.225%) and local sales tax, if applicable, titling and registration fees, and processing fees.

Nonresidents residing in Missouri due to military orders may register and title vehicles, all-terrain vehicles, trailers, manufactured homes, and marinecraft in Missouri.

All motor vehicles previously titled in another state or country must be inspected to verify the vehicle identification number and odometer reading of the vehicle. A signed statement from a commissioned officer of the United States Armed Forces verifying the vehicle’s identification number and odometer reading may be submitted.

Detailed information regarding titling requirements can be found on the Department’s website at dor.mo.gov/motor-vehicle/titling-registration/.
