# WHAT IS REAL ID?

“REAL ID” comes from the REAL ID Act of 2005, a federal law that focused on fraud protection, anti-terrorism, and driver license and nondriver license identification card (ID card) security. **The REAL ID Act prohibits federal agencies from accepting driver licenses and ID cards from states that do not meet these standards.** Access to federal facilities open to the general public for purposes of applying for or receiving federal benefits will continue to be allowed.

Beginning **May 3, 2023**, every air traveler **18 years of age and older** will be required to present a REAL ID-compliant driver license or ID card, or another form of ID accepted by the Transportation Security Administration, to board federally regulated domestic flights.

## DO I NEED ONE?

**YES**

- Flying domestically
- Accessing federal facilities, military bases and federal courthouses
- Entering nuclear power plants

**NO**

- Driving
- Voting or Registering to Vote
- State Purposes
- Age Verification
- You hold another form of identification that meets federal requirements, such as a valid U.S. passport or passport card

## DOES MISSOURI LAW REQUIRE ME TO HOLD A REAL ID-COMPLIANT DRIVER LICENSE OR NONDRIVER ID CARD?

**No.** Under Missouri law, applying for a REAL ID-compliant driver license or nondriver ID card is optional. However, individuals who choose not to get one will still be required to present another form of acceptable identification to fly domestically, access federal facilities and enter nuclear power plants beginning May 3, 2023.

## HOW DO I APPLY FOR A REAL ID?
