WHAT IS IT?

“REAL ID” comes from the REAL ID Act of 2005, a federal law that focused on fraud protection, anti-terrorism, and driver license and nondriver license identification card (ID card) security. The REAL ID Act prohibits federal agencies from accepting driver licenses and ID cards from states that do not meet these standards. Beginning October 1, 2020, residents of every U.S. state and territory will be required to present a REAL ID-compliant driver license or ID card, or another form of ID accepted by the Transportation Security Administration, to board federally regulated domestic flights.

DO I NEED ONE?

YES
- Flying domestically
- Accessing federal facilities, military bases and federal courthouses
- Entering nuclear power plants

NO
- Driving
- Voting or Registering to Vote
- State Purposes
- Age Verification
- You hold another form of identification that meets federal requirements, such as a valid U.S. passport or passport card

WHEN CAN I GET ONE?

Beginning March 25, 2019, you can apply for a REAL ID-compliant driver license or nondriver ID card. HOWEVER, your current Missouri-issued license or ID card will give you the same access as a REAL ID-compliant license or ID card until October 1, 2020.

WHAT’S THE DIFFERENCE?

Missouri’s REAL ID-compliant driver licenses and nondriver ID cards will have a gold star in the upper right hand corner.

A license or ID card that is not compliant with REAL ID will have “Not for REAL ID Purposes” in the upper right hand corner.
