  - The Missouri tax identification number is assigned by the Missouri Department of Revenue at the time you register for the reporting of sales, use, withholding, corporation income, or corporation franchise tax. If you have not registered your business or need to check on the status of a registration, please contact Business Tax Registration at (573) 751-5860. If you do not have a Missouri Tax Idenification number leave blank.
- 2. What is my federal employer identification number?

The Internal Revenue Service issues your federal employer identification number when you register to file federal taxes. If you do not have this number, we will review the account based on the information provided.

3. What is my corporation charter number or certificate of authority number?

Your corporate charter number is issued to a Missouri corporation, limited liability company or limited partnership, by the Missouri Secretary of State's Office, authorizing your company to transact business in the State of Missouri. The certificate of authority number is issued by the Missouri Secretary of State's Office to foreign entities. Questions concerning these numbers should be directed to the Missouri Secretary of State's Office at (573) 751-4153.

4. I am a foreign corporation. Am I required to register with the Missouri Secretary of State's Office?

If you are a corporation, you must be authorized to transact business in the State of Missouri with the Missouri Secretary of State's Office. Some foreign corporations may not be required to obtain a certificate of authority number in Missouri. If your corporation is not required, indicate so and the reason why.
