

Instructions for Composite Individual Return for Nonresident Partners or Shareholders

A composite return is allowed by the Department for any partnership, S corporation, limited liability partnership or limited liability company (treated as a partnership for tax purposes) with nonresident partners or S corporation shareholders not otherwise required to file a Missouri individual income tax return. Please refer to [Missouri Regulation 12 CSR 10-2.190](#) for the specific requirements and procedures for filing a composite return.

Nonresident individuals, partnerships, S corporations, regular corporations, estates (filing a Federal Form 1041) and trusts can be included on the composite income tax form.
