This information is for guidance only and does not state the complete law.

This form must be completed and filed by April 18 of this year. The tax for each year is based upon the taxpayer's net income for the previous year. An extension of time for filing this return may be granted by the Director of Revenue. When an extension is granted, the taxpayer is required to pay, as part of any tax due, interest thereon at the rate determined by Section 32.065, RSMo from the day when such return should have been filed, if no such extension had been granted. The annual interest rate can be obtained from the Department's web site at www.dor.mo.gov. Pursuant to Regulation 12 CSR 10-10.070, an extension of time may not exceed 180 days past the due date of April 18.
