Information to Complete Form MO-CR

Complete this form if you are a:

- Missouri resident, resident estate, or resident trust with income from another state(s) within the United States, political subdivision therein, or District of Columbia, or
- Missouri resident who is a direct or indirect member in a partnership or S corporation (pass-through entity), which voluntarily elected to be subject to and pay an income tax at the pass-through entity level in another state through a program substantially similar to the Missouri SALT Parity Act ([Section 143.436](#) of the Missouri Revised Statutes). A pass-through entity level tax program of another state or the District of Columbia is substantially similar to the Missouri SALT Parity Act if:
 - The partnership or S corporation only pays the tax if it voluntarily elects to be subject to that pass-through entity level tax;
 - The tax is imposed directly on the income of the partnership or S corporation;
 - The partner or shareholder receives an individual income tax credit for all or part of the partner or shareholder's pro rata share of the tax paid by the partnership or S corporation; and
 - The tax is not the mere payment, withholding, or composite payment of an income tax imposed on the partners or shareholders of the partnership or S corporation.

A part-year resident may elect to use this form to determine his or her tax as if he or she were a resident for the entire taxable year.

If you or your S corporation or partnership referenced above pay tax to more than one state, you must complete a separate Form MO-CR for each state. Before you begin:

- Complete your Missouri return, Form MO-1040 (Lines 1 through 30).
- Complete the other state's return(s) to determine the amount of income tax you paid to the other state(s).

Line-By-Line Instructions

Note: If you are claiming a resident credit as a shareholder of an S corporation with income earned in a non-taxed jurisdiction, complete Form MO-CR, Schedule 1 and see Instructions.

Compute the Missouri Resident Credit as follows:

Line 1 - Enter the amount from Form MO-1040, Line 1Y and 1S.

Line 2 - Enter the amount from Form MO-1040, Line 30Y and 30S.

Lines 3 & 4 - Enter the total amount of wages, commissions, and other income you or your spouse received from the other state(s) or District of Columbia, as reported on the other state(s) return.

Note: The computation completed using MO-CR Lines 1, 3 and 4 assumes that the ratio of the taxpayer's federal adjusted gross income derived from the other state over total federal adjusted gross income equals the ratio of the taxpayer's Missouri adjusted gross income derived from the other state over the taxpayer's Missouri adjusted gross income derived from all sources. If this is not the case for this taxpayer, attach a schedule(s) containing the information that would be found on Form MO-1040 Lines 1-5 and Form MO-A, completed as though the taxpayer's federal adjusted gross income only includes federal adjusted gross income derived from the other state. (Pro forma Forms MO-1040 and MO-A may also be submitted for this purpose.)"

Line 5 - Add Lines 3 and 4; enter the total on Line 5.

Line 6 - Enter any federal adjustments from:

- Federal Form 1040 or 1040-SR, Line 10

Line 7 - Subtract Line 6 from Line 5. Enter the difference on Line 7.

Line 8 - Divide Line 7 by Line 1. If greater than 100 percent, enter 100 percent. Round in whole percent, such as 91 percent instead of 90.5 percent. If percentage is less than 0.5 percent, use exact percentage. Enter percentage on Line 8.

Line 9 - Multiply Line 2 by percentage on Line 8. Enter amount on Line 9.

Line 10 - Enter your income tax liability as reported on the other state(s) income tax return. This is not income tax withheld. Your income tax liability must be reduced by all credits, except withholding and estimated tax. If the other state allows Missouri residents to take a credit against that state's income tax for the amount of Missouri income tax prior to the application of all tax credits, then you do not need to reduce your tax liability by all credits for that state. If both you and your spouse paid income tax to the other state(s) or District of Columbia, each must claim his or her own portion of the tax liability. Also add on this line the following item:

- You and your spouse's pro rata share of pass-through entity level income tax actually paid to another state of the United States or the District of Columbia through a program substantially similar to the Missouri SALT Parity Act.
- If you or your spouse are a resident S corporation shareholder, you or your spouse's pro rata share of net income tax actually paid by your S corporation to the other state, but only if that other state does not measure the income of S corporation shareholders by reference to the income of the S corporation. Note: If an amount or share of the S corporation's income is included in the shareholder's taxable income in that state, then that state measures the income of S corporation shareholders by reference to the S corporation's income.
- If you or your spouse are a resident S corporation shareholder and your S corporation is an out-of-state bank, see [Section 143.081.4](#) of the Missouri Revised Statutes to determine the pro rata share of the net tax actually paid by the bank to include on Line 10.

See Form MO-CR, Schedule 1 if you are a Missouri resident S corporation shareholder who has S corporation income from sources in another state(s) or the District of Columbia not subject to an income tax imposed on you or the S corporation in that jurisdiction or the political subdivision of that jurisdiction from which the income was derived. If you complete Form MO-CR, Schedule 1; enter the amount from Line 5 on Form MO-CR, Line 10.

Line 11 - Enter the smaller amount from Form MO-CR, Line 9 or Line 10. This is your Missouri resident credit. Enter the amount on Form MO-1040, Line 31Y and 31S. (If you have multiple credits, add the amounts on Line 11 from each MO-CR). Your imposed by the other jurisdiction(s).

Information to Complete Form MO-CR, Schedule 1

Complete Form MO-CR, Schedule 1, if you are a Missouri resident S corporation shareholder who has S corporation income from sources in another state(s) or the District of Columbia not subject to an income tax imposed on you or the S corporation in that jurisdiction or the political subdivision of that jurisdiction from which the income was derived. If you received S corporation income, which meets this description, from multiple non-taxing states, you generally must file one MO-CR and MO-CR Schedule 1 for each non-taxing state for which a credit is being claimed.

Attach Form MO-CR, Schedule 1 and supporting documentation, including Federal K-1 and a statement detailing the calculation of your share of the income earned in each state (or D.C.) that are non-taxing jurisdictions, to Form MO-1040.

State abbreviation - Use the two letter abbreviation for each state or the District of Columbia. See the table below for the two letter abbreviations.

Worksheet for Line 1 - Instructions for Completing the Adjusted Gross Income Worksheet

Missouri law requires a combined return for married couples filing together. A combined return means taxpayers are required to split their total federal adjusted gross income (including other state income) between spouses when beginning the Missouri return.

Splitting the income can be as easy as adding up your separate Form(s) W-2 and Form 1099. Or it may require allocating to each spouse the percentage of ownership in jointly held property, such as businesses, farm operations, dividends, interest, rent, and capital gains or losses. State refunds should be split based on each spouse's 2023 Missouri tax withheld, minus each spouse's 2023 tax liability. The result should be each spouse's portion of the 2023 refund. Taxable social security benefits must be allocated by each spouse's share of the benefits received for the year.

The worksheet below lists income that is included on your federal return, along with federal line references. Find the lines that apply to your federal return, split the income between you and your spouse, and enter the amounts on the worksheet. When you have completed the worksheet, transfer the amounts from Line 18 to Form MO-1040, Lines 1Y and 1S.

Note: Remember, the incomes listed separately on Line 18 of this worksheet must equal your total federal adjusted gross income when added together.
