Your completed Form MO-941 must accompany this form, unless electronically filed.

- Enter the Department of Economic Development (DED) Project or Product Number assigned to each DED approved Missouri Works location and the facility address.
- 2. Enter the amount of withholding tax retained at each facility address for this reporting period. Use the back of this form.
- 3. In Box A, enter the sum of the withholding tax retained from all DED approved locations.
- 4. In Box B, enter the amount of withholding tax submitted on line one of Form MO-941 or the amount you electronically filed.
- 5. In Box C, enter the sum of Boxes A and B. This is the total amount of tax withheld from your employees.
- 6. Sign this form, print your name, include a phone number, and e-mail address where you can be reached. Important:
- Form MO-941 should be completed **after** you have determined the amount of withholding tax you are allowed to retain and should only contain the amount of withholding tax you are not allowed to retain.
- Compensation on Form MO-941, Line 2 may be taken only on the amount of withholding tax you are not allowed to retain.
- Submit Form MO-MWP at the same filing frequency and at the same time that you are required to submit Form MO-941. For example, if you
  are a monthly filer of Form MO-941, you must also complete Form MO-MWP on a monthly basis. Even if you are allowed to retain 100% of your
  withholding tax you must still complete and submit Form MO-941 showing \$0.00 tax withheld.
- If you did not retain the correct amount of tax prior to filing your original Form MO-941, you must amend your filing with a new Form MO-941 before
  your Missouri Works claim will be accepted.
