TAX INTRODUCTION

The Service Members Civil Relief Act prevents military personnel from being taxed on their military income by any state other than their home of record state. The Military Spouses Residency Relief Act, effective for the 2009 tax year and forward, prevents income earned by servicemembers’ spouses from being taxed by any state other than the state they declare as their state of residence.

To determine if any income for a military individual (and spouse, if married) is taxable to Missouri, the individual must first determine if Missouri is his or her home of record.

If you entered the armed forces in Missouri, your home of record is presumed to be Missouri and you are presumed to be domiciled in Missouri. Since individuals with a Missouri home of record can be stationed in Missouri or outside Missouri, their tax obligations can be different based on their specific circumstances.

Nonresidents of Missouri who are stationed in Missouri due to military orders generally do not have a Missouri home of record. Any military pay earned in Missouri by a person who does not have a Missouri home of record is not taxable and may be excluded from Missouri adjusted gross income. However, any additional non-military income is taxable.

Under Section 143.174 RSMo, a deduction of 100% of the income received by any person as salary or compensation in any form as a member of the active duty component of the Armed Forces of the United States, may be taken as long as the income is included in the taxpayer’s federal adjusted gross income. See page 10 for more information.
FILING REQUIREMENTS

HOME OF RECORD – MISSOURI
- Stationed in Missouri - If your home of record is Missouri and either of the following statements are true,
  - you are stationed in Missouri due to military orders
  - you are entering or leaving the military and you spend 30 days or more in Missouri;

You are required to file a Missouri return. The Missouri return must begin with your total Federal Adjusted Gross Income. Income earned as a member of any active duty component of the Armed Forces of the United States may be eligible for a deduction on Line 19 of Form MO-1040.

- Stationed outside Missouri - If you: (a) maintained no permanent living quarters in Missouri during the year; (b) maintained permanent living quarters elsewhere; and (c) did not spend more than 30 days of the year in Missouri, you are considered a nonresident for tax purposes and your military pay, interest, and dividend income are not taxable to Missouri. Complete Form MO-NRI and attach to Form MO-1040. If your spouse remains in Missouri more than 30 days while you are stationed outside Missouri, your total income, including your military pay, is taxable to Missouri.

If you are the spouse of a military servicemember, are living outside of Missouri and Missouri is your state of residence, any income you earn is taxable to Missouri. If you earn more than $1,200 you must file a Missouri return (Form MO-1040). Income earned as an active duty member of the Armed Forces of the United States may be eligible for a deduction on Line 19 of Form MO-1040.

HOME OF RECORD - NOT MISSOURI

The military pay of nonresident military personnel stationed in Missouri due to military orders is not taxable to Missouri. If you are a servicemember and earned only military income while stationed in Missouri, complete a No Return Required-Military Online Form at the following address: https://sa.dor.mo.gov/nri/.

If you are a military servicemember and earned $600 or more in Missouri in non-military income, this non-military income is taxable to Missouri and cannot be subtracted from your federal adjusted gross income on your Missouri return (Form MO-1040).

If you are the spouse of a military servicemember, are in Missouri because the military servicemember is stationed in Missouri on military orders, and your state of residence is another state, any income earned by you is not taxable to Missouri. However, if you earn more than $600 you must file a Missouri return (Form MO-1040) and provide verification of your state of residence. Acceptable verification may include any of the following: a copy of your 2017 state income tax return filed in your state of residence, 2017 property

Page 3
tax receipt, current driver license, vehicle registration, or voter identification card. You must report the military pay of the servicemember and your income on Form MO-A, Part 1, Line 9, as a “Military (Nonresident)” subtraction to your federal adjusted gross income. COMBAT PAY

COMBAT ZONE - MILITARY
A combat zone is any area the President of the United States designates by Executive Order as an area in which the U.S. Armed Forces are engaging or have engaged in combat. An area usually becomes a combat zone and ceases to be a combat zone on the dates the President designates.

COMBAT PAY INCLUDED IN FEDERAL ADJUSTED GROSS INCOME
If a military person’s federal adjusted gross income includes military pay received while serving in a combat zone, that portion of combat pay may be subtracted on the Missouri return.

In most cases, the IRS allows enlisted members, warrant officers, and commissioned officers to exclude the military pay received while serving in a combat zone, so no deduction is necessary on the Missouri return. However, if a military person’s combat pay is included in Form W-2, Box 1, wages and included in their federal adjusted gross income, a subtraction is allowed using Form MO-A, Part 1.

EXTENSION OF DEADLINES

The time for taking care of certain tax matters can be postponed. These postponements are referred to as “extensions of deadlines.”

QUALIFYING FOR AN EXTENSION OF DEADLINE
The deadline for filing tax returns, paying taxes, or filing claims for refund, are automatically extended if either of the following statements are true:

• You serve in the Armed Forces in a combat zone or you have qualifying service outside of a combat zone. A qualifying service outside of a combat
zone is the service in direct support of military operations in the combat zone, and the service qualifies you for special military pay for duty subject to hostile fire or imminent danger. Other qualifying services would include if you were hospitalized while serving in a combat zone, or hospitalized after serving in the combat zone and have a wound, disease, or injury that happened while serving in the combat zone.

- You serve in the Armed Forces on deployment outside the United States away from your permanent duty station while participating in a contingency operation. A contingency operation is a military operation that is designated by the Secretary of Defense or results in calling members of the uniformed services to active duty (or retains them on active duty) during a war or a national emergency declared by the President or Congress.

LENGTH OF EXTENSION

Your deadline for taking actions with the Missouri Department of Revenue is extended for 180 days after the last day you are in a combat zone, have qualifying service outside of the combat zone, or serve in a contingency operation (or the last day the area qualifies as a combat zone or the operation qualifies as a contingency operation).

In addition to the 180 days, your deadline is extended by the number of days that were left for you to take action with the Missouri Department of Revenue when you entered a combat zone (or began performing qualifying service outside the combat zone) or began serving in a contingency operation. If you entered the combat zone or began serving in the contingency operation before the period of time to take the action began, your deadline is extended by the entire period of time you have to take the action.

INTEREST AND PENALTIES

The Department follows the federal guidelines on assessment and collection deadlines. During the extension period, assessment and collection deadlines will be extended, and you will not be charged interest and penalties attributable to the extension period.
1. My income is entirely from the military and I have not spent more than 30 days in Missouri during the year. Is my military income taxable to Missouri?

A. No. You need to complete the “No Return Required - Military” online form indicating you are not required to file a Missouri return. However, if you had Missouri withholdings you must complete Forms MO-1040 and MO-NRI to recover your withholdings.

2. I entered the military from Missouri on April 1st. I was stationed at a military base in another state through the end of the year. Is my military income taxable to Missouri?

A. Yes. Your military pay is taxable to Missouri since you were in Missouri more than 30 days during the year. However, you may be eligible for a military income deduction on Form MO-1040 if the income was earned as an active duty member of the Armed Forces of the United States. See page 10 for more information.

3. I have been stationed at a military base in another state all year and my income is entirely from the military. My spouse resides in Missouri. Is my military pay taxable to Missouri?

A. Yes. If your spouse spent more than 30 days in Missouri during the year, you are 100 percent taxable to Missouri and must complete Form MO-1040 (long form). However, you may be eligible for a military income deduction on Form MO-1040 if the income was earned as an active duty member of the Armed Forces of the United States. See page 10 for more information.

4. I have been stationed at a military base in another state all year and my income is entirely from the military. Missouri state taxes were withheld from my military pay. Do I need to file a Missouri return to receive a refund?

A. Yes. In order to receive a refund, you must complete Form MO-1040 (long form) along with Form MO-NRI (Missouri Income Percentage).

5. I am retired and receive a pension from the military. Is my military pension taxable to Missouri? If so, how is my military pension taxed?

A. Pension income is taxable to the state one resides in while receiving payments. You may qualify for a pension exemption. You must complete Form MO-1040 (long form), along with Form MO-A, Part 3.

Married couples with Missouri adjusted gross income less than $100,000 and single individuals with Missouri adjusted gross income...
less than $85,000, may deduct the greater of $6,000 or 100 percent of their public retirement benefits, to the extent the amounts are included in their federal adjusted gross income. The total public pension exemption is limited to $36,976 for each spouse.

If you receive a military pension from service in a branch of the armed services of the United States, including the Missouri Army Reserve and Missouri National Guard, you may be eligible for the military pension exemption. This exemption can be claimed on Form MO-1040 by completing Form MO-A, Part 3, Section D. You must reduce your military pension exemption by any portion of your military pension that is included in the calculation of your public pension exemption. If you qualify for the public pension exemption, complete the Public Pension Calculation (Section A) before calculating their military pension exemption.

Note: Taxpayers who also qualify for the Social Security or Social Security Disability Deduction, must reduce their public pension exemption by the amount of the Social Security or Social Security Disability Deduction.

6. If I am in the military serving in a combat zone and cannot file my taxes by the due date, do I qualify for an extension to file my return?

A. Yes. Any military personnel qualifies for an extension of 180 days if they are: 1) serving in a combat zone; 2) deployed outside of the United States away from their permanent duty station while participating in a contingency operation, or; 3) had continuous qualified hospitalization for injury from service in a combat zone or contingency operation. The extension begins after the last day of the latest of these situations.

A. Yes. If you spend more than 30 days in Missouri during the year, your military income is taxable to Missouri. However, you may be eligible for a military income deduction on Form MO-1040 if the income was earned as an active duty member of the Armed Forces of the United States. See page 10 for more information.

8. I have been stationed at a military base in another state all year and my income is entirely from the military. My spouse is a resident of Missouri, resides with me, and works for a company in the state in which we are stationed. Are we required to file a return?

A. Yes, under the Military Spouse’s Residency Relief Act, if you are the spouse of a military servicemember residing outside of Missouri solely because your spouse is there on military orders, any income you earn is taxable to Missouri. You must complete Form MO-1040 (long form). The military servicemember may calculate their Missouri income percentage by completing Form MO-NRI. The spouse of the servicemember is not eligible to calculate a Missouri income percentage and should report 100 percent on MO-1040.
9. How is my annuity from the Survivor Benefit Plan taxed?

A. The Survivor Benefit Plan is a program offered by the United States government to retired members of the military servicemember so that upon the death of the retired servicemember, an annuity is provided to a designated person (usually the surviving spouse) as a replacement for the military retirement pension. Although the annuity does not qualify for the military retirement pension exemption, it does qualify for the public pension exemption.

10. If I earned military income while in an active duty status, do I qualify for a deduction?

A. If your military income was earned as an active duty member of the Armed Forces of the United States, you may be eligible for the military income deduction. See below for more information.

MILITARY INCOME DEDUCTION INFORMATION

Section 143.174, RSMo provides a deduction for military income earned as a member of the active duty component of the Armed Forces of the United States. Below is some helpful information regarding the military deduction:

- This deduction may be claimed on the Military Income Deduction line of the Missouri Individual Income Tax Return (Form MO-1040). The 2016 return (line 19) is the first year this deduction may be claimed.
- The military income must be included in the federal adjusted gross income and not have been previously taken as a deduction or subtraction.
- When submitting your return, include a copy of your Leave and Earnings Statement(s) that validate how long you were on active duty for training or annual training and the amount you earned on active duty for training or on annual training. Failure to attach the required documentation may result in the disallowance of the deduction. A PDF of this documentation should be provided when filing your return electronically.
- The military income deduction is available for the amount of pay received while:
  - Ordered to federal active duty status under 10 USC or 32 USC
  - Participating in Annual Training (typically 2 weeks a year)
  - Participating in other active training or schools, except for Inactive Duty for Training, which does NOT qualify for this deduction.
- You may NOT take the deduction for the amount of pay you received while on:
  - State Active Duty (shown on your state W-2 form)
  - Inactive Duty Training - While this may appear on a Leave and Earnings Statement, Inactive Duty for Training does not qualify for the military income deduction.
- All Missouri returns claiming the military deduction will be compared to income data (Form W-2 data) provided by the Defense Finance and Accounting Service (DFAS).

**PROPERTY TAX CREDIT FOR DISABLED VETERANS**

Certain individuals are eligible to claim up to $750 if they pay rent or $1,100 if they pay real estate tax on the home they own and occupy. If renting from a facility that does not pay property taxes, you are not eligible for a Property Tax Credit. The credit is available to individuals 65 years of age or older, 100% disabled, 60 years of age or older and receiving surviving spouse benefits, and to 100% disabled veterans as a result of military service.

**PROPERTY TAX CREDIT – VETERAN INCOME**

- If a Veteran is 100% disabled (NOT due to military service) payments and benefits are included into Property Tax Credit household income. Veteran payments and benefits include education or training allowances, disability compensation, grants, and insurance proceeds. A letter from the Veterans Administration detailing the amount of your benefits needs to be attached to the Property Tax Credit form.

- If a Veteran is 100% disabled as a result of military service, you are not required to include your veteran payments and benefits on the Property Tax Credit form. A letter from the Veterans Administration indicating the disability is 100% from military service needs to be attached to the Property Tax Credit form.
Military individuals who are not required to file a Missouri return can use the “No Return Required - Military” online form, which can be found online at http://dor.mo.gov/military.

This form must be submitted to the Department by the return’s due date. (A return's due date is normally April 15th, following the close of the taxable year.) Submitting this online form timely may prevent the Department from sending a “Request for Tax Return” notice to a military individual. If you receive a notice from the Department, submit a Form MO-NRI along with a DFAS W-2 or LES showing your state of residence.

Constitutional Amendment 2 exempts from property taxes all real property used as a homestead by any Missouri citizen who is a former prisoner of war with a total service-connected disability.

This exemption is not administered by the Missouri Department of Revenue.
Missouri allows for an early renewal of driver licenses, permits, or non-driver licenses documents for persons leaving the state or country. An applicant can apply for early renewal at a local license office prior to leaving to ensure the document does not expire while deployed.

Missouri also allows renewal by mail for members of the armed forces and their dependents. Applicants should submit renewal Form 4317 (available on-line at [http://dor.mo.govforms/4317.pdf](http://dor.mo.govforms/4317.pdf), or faxed upon request), along with required documents and fees.

Missouri allows a renewal without re-examination for members of the armed forces whose license has expired while out of state, for up to six months from honorable discharge or within ninety days of reestablishing residency in Missouri, whichever occurs first. The expired Missouri license and discharge papers must be presented at the time of application in addition to other applicable renewal documents. The expired license is not valid for driving. These provisions only waive re-examination and do not extend the actual driving privileges beyond the expiration date.

**Required Documents for Renewal**

When you obtain or renew any license, permit, or nondriver license, you will be required to present verification of name, date of birth, place of birth, Social Security Number, and Missouri residential address, and mailing address if different than residential address as required by Missouri law. If renewing, you will also be required to present and surrender your current license, permit, or nondriver license. Details of these requirements are listed below. For more information, visit [http://dor.mo.gov/drivers/checklist.php](http://dor.mo.gov/drivers/checklist.php).

- **Name, Date of Birth, Place of Birth**: A U.S. citizen may present a birth certificate issued by a state or local government (with an embossed, stamped or raised seal), a valid or expired U.S. passport, a Certificate of Citizenship, Certificate of Naturalization, or a Certificate of Birth Abroad. A hospital-issued birth certificate is not acceptable. A U.S. Military Identification Card or discharge papers accompanied by a copy of a U.S. Birth Certificate issued by a state or local government is acceptable. Examine the full list of acceptable required documents at [http://dor.mo.gov/drivers/idrequirements.php](http://dor.mo.gov/drivers/idrequirements.php).

- **Missouri Residential Address**: You have a variety of options to prove your current address. Examples include: a recent utility bill (including phone, electric, gas, water, sewer, and cable), property tax receipt, most recent bank statement, voter ID card, or any official letter issued within the last 30 days by another state or local governmental agency on its letterhead.
A Missouri residential address will be required each time you apply to renew a driver license, nondriver license, or instruction permit. If you are under the age of 21 and cannot provide verification of a Missouri residential address, a parent or legal guardian may provide such a document on your behalf.

- A residential address is a person’s true, fixed, principal, and permanent home, to which a person intends to return and remain, even though currently residing elsewhere.

Social Security Number
State law requires you to include your Social Security Number (SSN) on your application to obtain a Missouri license or permit. The SSN may be provided verbally or by presenting the Social Security Card. If the number or name associated with the social security number cannot be verified, the license office employee may ask for the Social Security Card or a statement from the Social Security Administration as proof of the name and SSN in their records.

If you do not have a Social Security Number, you must sign an affidavit stating that you do not have a Social Security Number. If a Social Security Number has not been assigned, you must present a letter from the Social Security Administration (SSA) regarding the status of your number. Your application will be sent to the central office for verification. Your permit/license will be issued if approved.

Name Changes
If the name on your required documents does not match your current name, present one of the documents below showing your correct/current name.

- **Last Name Change** - certified marriage certificate, certified divorce decree, certified court order, certified adoption papers, or amended birth certificate, U.S. passport, or social security card/medicare card.
- **First Name Change** - court order or adoption papers.
- **Middle Name Change** - court order.
POWER OF ATTORNEY

Missouri allows applications for renewal of license to be submitted at a local license office by a person with power of attorney for active duty military personnel. Documents to verify power of attorney in addition to applicant name, date of birth, place of birth, Social Security Number, and residential address must be submitted with the application. The application Form 4318 is available on-line at http://dor.mo.gov/forms/4318.pdf, or may be faxed upon request or acquired from the local license office.

COMMERCIAL DRIVER LICENSE

Missouri allows active duty military or retired military personnel to complete an application for waiver of skills testing to obtain a commercial driver license. Applicant must have been regularly employed within 90 days prior to waiver application date in a job requiring operation of a commercial motor vehicle and have operated the commercial vehicle for the military for at least 60 days during the 2 years immediately preceding application date. Applicants must still complete the required knowledge examinations for the commercial driver license class applied for. The Application for Military CDL Skills Test Waiver Form 5140 is available on-line at http://dor.mo.gov/forms/5140.pdf or may be faxed upon request or acquired at a local license office.

WAIVER OF MISSOURI MOTORCYCLE SKILLS TESTING

Active duty members of the U.S. armed forces are permitted to present a proof of completion card from a military Motorcycle Rider Training Course (MRTC) to waive the written examination and driving skills test to obtain a motorcycle endorsement on a Missouri driver license.

- The military course must meet or exceed the criteria of the Motorcycle Safety Foundation (MSF).
- Only approved MSF rider course completion cards issued by a military MRTC will be acceptable.
- Course completion cards are acceptable for one year from date of issuance for purposes of test waiver.

NOTE: Applicants required to obtain a Missouri motorcycle permit prior to completing the MRTC course are required to complete the written examination administered by the Missouri State Highway Patrol. The Missouri motorcycle written examination is not administered on-line or by mail. It must be completed at a Missouri driver examination station.
Missouri law allows for a "VETERAN" designation to be added to the back of a Missouri driver or nondriver license upon request. Applicants for the new designation must present one of the following discharge status verification documents:

- United States Department of Defense discharge document, otherwise known as a DD Form 214, that shows a discharge status of “honorable” or “general under honorable conditions” that establishes the person’s service in the Armed Forces of the United States;
- A United States Uniformed Services Identification Card, otherwise known as a DD Form 2, that includes a discharge status of “retired” or “reserve retired” establishing the person’s service in the Armed Forces of the United States;
- A United States Department of Veterans Affairs photo identification card; or
- A discharge document WD AGO 53, WD AGO 55, WD AGO 53-55, NAVPERS 553, NAVMC 78 PD, NAVCG 553, or DD 215 form that shows a discharge status of “honorable” or “general under honorable conditions”.

There will be no additional cost to add the indicator. The standard new, renewal or duplicate transaction and processing fees will apply. You are not required by law to obtain the veteran designation.

Exception Processing for Qualified Veterans Without an Acceptable Document Electing To Add The Veteran Designation

Less than 1% of veterans may have a document other than those defined as acceptable to request the veteran designation, which the National Personnel Records Center, the Department of Defense and the United States Department of Veterans Affairs (VA) recognize as an equivalent type document. If you do not have one of the listed acceptable documents, you should send a copy of your documentation and contact information to the Missouri Veterans Commission at the following address:

Missouri Veterans Commission
Attn: Veterans Drivers License Designation
205 Jefferson Street
P.O. Drawer 147
Jefferson City, MO 65102-0147

Telephone: (573) 522-4220
The Veterans Commission will review the documentation and make the determination if the submitted documents meet the criteria as an equivalent type document and issue an equivalency letter to you. After you receive the letter, you may take the letter to a license office and apply for the Veteran Designation on your driver or nondriver license.

SPECIAL NOTES

Missouri has a special process that allows for driver license suspensions and revocations to be stayed in certain cases for members of the armed forces performing such military service. The suspensions and revocations will remain in a stayed status until 60 days after the military service ends.

More information regarding how to get your license reinstated or to find out what is on your driver record is available 24 hours, 7 days a week at (573) 526-2407. You may also access the Missouri Driver Guide on-line at http://dor.mo.gov/drivers/dlguide/.
VEHICLE REGISTRATION RENEWAL AND REQUIRED DOCUMENTS

Military applicants may renew an expired motor vehicle registration up to 60 days after completion of military service without a $5 renewal penalty. The vehicle may not be operated during the period the registration is expired.

With each transaction the applicant must submit official orders from the appropriate military authority as evidence of military service and the date of discharge.

TITLING AND INSPECTIONS

Military applicants may authorize another individual to sign the General Affidavit (Form 768) indicating the vehicle is out-of-state and will be inspected within 10 days of returning to Missouri, if applicable. A power of attorney or a statement from the military applicant allowing the signature is not required.

Military applicants are allowed 180 days from completion of military service before a title penalty is assessed on the purchase of a motor vehicle, trailer, boat, outboard motor, all terrain vehicle, or manufactured home.

Military applicants may have a commissioned officer or other out-of-state law enforcement officer sign an inspection form to verify the vehicle identification number (VIN) and odometer reading of a vehicle previously titled out of state (ID/OD inspection).

EXTENSIONS

Any person engaged in the performance of active duty in a United States military conflict for 30 days or more, will receive an extension for complying with certain motor vehicle laws. Qualified military service includes:

- A member of the National Guard or National Guard Reserve;
- A member of the United States Armed Forces or Reserve (Army, Navy, Air Force, Coast Guard, or Marines); and
- An officer of the United States Public Health Service detailed by proper authority for duty with any branch of the United States Armed Forces.
Active duty military personnel who sell a vehicle and are deployed before a new vehicle can be purchased are allowed an extension of 180 days after return to purchase a vehicle and obtain the tax allowance. A copy of their military orders of completion of deployment must be submitted. This extension also applies to “total loss” vehicle tax credits.
