Dealer Newsletter

November 2026

MISSOURI DEPARTMENT OF REVENUE

CURRENT MYDMV COMING TO AN END

In the coming months, the Department will begin preparing to phase out the current MyDMV system. In early 2027, a specific date will be set for all activity within MyDMV to stop so the system can be converted to FUSION, including all functions related to license renewals. The Department will share the confirmed date, along with additional details and next steps, as soon as they are finalized.

RENEWAL REMINDERS

DEALER RENEWALS

If your dealer, auction, or manufacturer business license expires on December 31, 2026, please be aware that the online renewal application opened on July 2, 2026.

Renewal applications submitted after November 3, 2026, will be considered late and will incur a late fee.

You may not conduct business as a dealer after December 31, 2026, unless your renewal application has been approved.

This will be the final renewal completed in the current DMV Connect system before the transition to FUSION. It is essential that you renew early—and no later than December 31, 2026—to prevent any disruption to your dealership operations or your ability to sell vehicles.

Common reasons applications are rejected include:

- Missing or incomplete criminal record check information
- Business name discrepancies
- Missing or incomplete garage liability policies
- Bond information that does not match the business name and DBA on the license
- Missing inspection or certification documentation

Did you know there are training videos on numerous dealer topics, i**ncluding how to renew a dealer license**? Visit **Dealers and Lienholders** to view training videos offered by the Department.

DELAYED TITLES

If you have a $100,000 bond filed and are needing delayed titles, remember you must use the Agreement for Delayed Delivery of Certificate of Ownership (**Form 5830**) while processing your transaction. The dealer must provide the customer with a signed contract for sale of the vehicle and a copy of the completed 5830.

RENEWAL TABS

DOR is issuing expiration tabs instead of new dealer plates at renewal. These tabs show the updated expiration year for your dealer plates. Please note:

- When you receive your renewed dealer license, the expiration tabs will be included in the same envelope.
- Remove the tabs and place them on your existing dealer plates.
- Affix the tab over the previous year's expiration, located in the lower right-hand corner of the plate.

Important reminders:

- Expiration tabs are associated to the dealership's license.
- The dealership is responsible for tracking and accounting for each tab, just as with dealer plates.
- Misuse of an expiration tab may result in disciplinary action against the dealership's license.

If you require additional information or assistance, please contact the Dealer Services Group by e-mail at **dealerlic@dor.mo.gov,** or telephone at (573) 526-3669, option 7.

MO FUSION
FIFTY UNIQUE SYSTEMS IN ONE NEXUS

Be on the look out for our new FUSION dealer newsletter that will be sent the third Thursday of every month! This will be sent to the same address as the current newsletter. You can also find it by visiting **Dealers and Lienholders** and selecting **Motor Vehicle FUSION Rollout**. Please also check out the demonstrations of the new MyDMV Business Account which will be transitioned to in early **2027**.

MISCELLANEOUS REMINDERS

- Don't forget to display dealership dealer plates whenever a dealership owned vehicle is being driven on the roadway.
- Monthly sales reports are due on or before the 15th of the following month. To amend your monthly sales report you must complete a Dealer Monthly Sales Report Monthly Sales Report (**Form 385**) and submit to the Dealer Services Group.
- Maintaining a valid bond without any lapse in coverage is required. Monthly checks are completed by the Department to ensure compliance.
- Planning on **moving** your dealership? Please ensure that all steps that are required to move a dealership's location are met, prior to conducting business at the new location.
- Refer to the **Missouri Dealer and Business Operating Manual** for any questions you may have.
- **Video trainings are available here** and address multiple functions required by dealers.
