TEMPORARY REGISTRATION PERMITS

Reminder: The temporary registration permit configuration changed from 6-digits to 7-digits on June 15, 2025.

The Dealer Notice of Sale Report system does not allow for the new 7-digit configuration.

- If you upload your sales file, do not include temporary permit registration configurations.
- If you use the online Notice of Sale website's 'Submit Single Sale' option, make sure you leave the temporary registration permit number field blank.

The temporary permit registration system (TRPA) used by dealers and license offices for ordering permits and law enforcement for look-up does accommodate the new 7-characters.

DEALER RENEWALS

If you wish to renew your license, online renewals have opened and are required to be turned in by November 3, 2025.

Do you have multiple files that need to be uploaded into one section of your renewal? Is the size of your file too large to upload to our website? Are your files not in .PDF or .TIF format? Search "File Combiner", "File Compressor", or "File Converter"? These are multiple free tools to help combine, shrink, and/or change the files to the correct format for you.

DELAYED TITLES

If you have a \$100,000 bond filed and are needing delayed titles, remember you must use the Agreement for Delayed Delivery of Certificate of Ownership ([Form 5830](#)) while processing your transaction.

TRAILER DEALER ADMINISTRATIVE FEE

Effective August 28, 2025, trailer dealers may begin charging an administration fee of up to \$604.47, per sale. If charging the fee, you must remit 10% of the fees collected to the Motor Vehicle Administrative Technology Fund.

To charge the admin fee you will be required to make changes to your current license. There will be a grace period until October 31, 2025. After this date, changes will only be permitted between February 1 and April 30 each year.

To make changes to your account you will need to access your My DMV account or complete an Application for Dealer, Auction, or Manufacturer License and Number Plate(s) ([Form 4682](#)) indicating the change and addition to the admin fee.

TITLES

If you have called our Motor Vehicle Bureau within the last month, you may have noticed that our automated phone menu has changed. Option 7 has been moved to the front of the queue to assist dealers and their wait times. You will not have to wait through the phone menu.

If you are calling about a title, please choose option 1. The Dealer Services Group does not handle inquiries regarding titles.
