Notice Regarding Your Personalized License Plate(s)

To commemorate Missouri's 200th anniversary of statehood, Missouri citizens will receive a new bicentennial license plate design to replace the current "bluebird" license plate beginning October 15, 2018. To see a sample of the new license plate design, visit: <https://missouri200.org/bicentennial-license-plate/>.

In order to obtain your newly designed personalized license plate(s) at the time of renewal, you must confirm that you wish to retain your current personalized license plate configuration by the date indicated below.

Based upon your timely confirmation, the estimated delivery date of the new license plate(s) to your preferred license office location is indicated below.
