IMPORTANT INFORMATION
A Missouri duplicate title can only be issued in the name of the last Missouri-titled owner(s). If the current owner of the vehicle is not the last titled owner(s) of record, the current owner must contact the last titled owner(s) and request that they obtain a duplicate title in their name(s). After the duplicate title is issued, the titled owner(s) should assign the duplicate title to the current owner, who in turn may apply for an original title in their name.

If the seller is unable or unwilling to provide the purchaser with the properly assigned title for the unit(s) in question, the purchaser may wish to seek the advice of a legal professional or request information from the county court clerk on how to obtain ownership with a court order. If the purchaser obtains such a court order, they may make application for title.
The proceeding instructions are subject to changes in statute by the General Assembly, and to changes in interpretation by courts or administrative agencies. For this reason, any individuals who may be relying upon these instructions should review them on a regular basis.
