The Northgate Redevelopment involved the replacement of single-story garden style apartments with a mixed use redevelopment. The last years of the complex saw an increasing amount of unattended deterioration which became an increasing blight upon the community and surrounding neighborhoods. Given it made up such a significant portion of the city's residential community, the City decided to take the significant step of designating the area for redevelopment. The City solicited proposals in 1999, selecting the development team of Hunt Midwest, Inc., in partnership with The Rainen Companies. The development agreement approved in tandem with the TIF plan states that the city is responsible for acquiring the property, relocating residents of the apartments, demolishing the old apartment complex, and installing the infrastructure. The city would then sell the land to each respective developer, with no additional funds required of the City. The City would receive any TIF proceeds as reimbursement of the pre-development costs. The developers do not receive any TIF proceeds. Ruby Tuesday became the first commercial business within the development. Construction to date for the residential project includes 166 of the eventual 219 units. Three phases of Senior Apartments 258 units The Gardens are complete and are fully occupied. A fourth phase of Senior Apartment 60 units will be constructed in 2016. The first phase of the apartments 246 units CityView were constructed in 2006. Finally, we hope the second phase of CityView will commence construction in 2016. As of December of 2009, the City has activated all of the 15 designated TIF project areas that make up the redevelopment.

**Plan Description:**

The Redevelopment Project is intended to remove conditions that qualify the area as blighted in order to facilitate economic development and revitalization of the area. The Redevelopment Plan is composed of strategies to eliminate blighting conditions and support construction of a 55,000 sq. ft. store located in RPA 1, requiring significant site improvements. RPA 2 is planned to support retail or mixed use development like the nearby Lowe's Home Center Store to the north of Kohl's.
