Tax Increment Financing in Missouri
Local TIF Project Information and Financial Data

Missouri Department of Revenue

Local Tax Increment Financing

Executive Order 19-02 signed by Governor Parson transfers the receipt and reporting function of Local Tax Increment Financing (LTF) reports from the Department of Economic Development to the Department of Revenue.

Purpose

The purpose of Local Tax Increment Financing is to encourage the development of property and other improvements that will result in the creation of new or the preservation of existing jobs and business activity. LTF is intended to provide a mechanism for investing public funds into areas that have the potential for economic growth.

Typical Benefits

LTF may be used to finance a variety of activities, including:
- Transportation improvements
- Economic development projects
- Infrastructure improvements
- Construction of new buildings
- Acquisition of property

Developer(s): Kohls Department Stores, Inc
Senate District: 16th
House District: 149th
Original Date Plan/Project Approved: 10/1/2010

Plan Description:
The Redevelopment Project is intended to remove certain physical conditions that might qualify the area as blighted in order to facilitate economic development and the physical revitalization of RPI areas 1 and 2. The Redevelopment Plan is composed of strategies to reduce or eliminate blighting conditions and support construction of a 55,000 sq. ft. Kohls store to be located within RPA 1, requiring extensive site improvements. RPA 2 is expected to ultimately support retail or mixed use like the Lowes Home Center store.

Plan/Project Status: Fully-Operational
Area Type: Blight
But for Determination:
Project had unusual/extraordinary costs that made the project financially unfeasible in the market place.

Original Date Plan/Project Approved: 2/1/2000

Plan Description:
The Northgate Redevelopment involved the replacement of single-story garden style apartments with a mixed use redevelopment. The last years of the complex saw an increasing amount of unattended deterioration which became an increasing blight upon the community and surrounding neighborhoods. Given it made up such a significant portion of the city's residential community, the City decided to take the significant step of designating the area for redevelopment. The City solicited proposals in 1999, selecting the development team of Hunt Midwest, Inc., in partnership with The Rainen Companies. The development agreement approved in tandem with the TIF plan states that the city is responsible for acquiring the property, relocating residents of the apartments, demolishing the old apartment complex, and installing the infrastructure. The city would then sell the land to each respective developer, with no additional funds required of the City. The City would receive any TIF proceeds as reimbursement of the pre-development costs. The developers do not receive any TIF proceeds. Ruby Tuesday became the first commercial business within the development. Construction to date for the residential project includes 173 of the eventual 219 units. Three phases of Senior Apartments 258 units The Gardens are complete and are fully occupied. A fourth phase of Senior Apartment 60 units is under construction and expected to be completed in December 2016. The first phase of the apartments 246 units CityView were constructed in 2006. Finally, we hope the second phase of CityView will commence construction in 2016. As of December of 2009, the City has activated all of the 15 designated TIF project areas that make up the redevelopment.
