Form 2643 (Revised 02-2015)
Business Buyer Beware

Whose unpaid taxes will you be paying?

Find out the facts!!!

You may be liable as a successor!

• Every person purchasing a business or stock of goods immediately shall notify the Director of Revenue of the business name, owner’s name, date of purchase, and type of business or stock of goods.

• All successors or purchasers shall withhold a sufficient amount of the purchase money to cover taxes, interest, or penalties due and unpaid by all former owners or predecessors, whether immediate or not, until the former owners or predecessors produce a receipt from the Director of Revenue showing that they have been paid or a certificate stating that no taxes are due; otherwise, the successor or purchaser shall become personally liable for the unpaid tax, penalty, and interest accrued.

Example: Mr. Smith purchases a business from Mr. Jones for $50,000. He acquires all the inventory. He does not ask Mr. Jones for a Certificate of No Tax Due. Mr. Smith comes in to apply for a Missouri Tax I.D. Number and receives it. However, because Mr. Smith did not obtain a Certificate of No Tax Due from Mr. Jones, after receiving his license for the business he finds Mr. Jones has sales tax delinquencies totaling $20,000, which he must pay because he is now successor. Mr. Smith is now paying two people for the business — Mr. Jones and the Department.

• All purchasers have a duty to discover whether taxes are due and unpaid by any former owner or predecessors, whether immediate or not, and a lack of knowledge about successorship will not relieve a purchaser from successor tax liability. Reliance on an affidavit pursuant to Missouri’s Bulk Transfer Act stating there were no creditors of the business will not relieve a purchaser from successor tax liability.

Some questions you may want to ask yourself when purchasing a business:

1) Are you purchasing the building (real estate)?
2) Are you purchasing the inventory?
3) Are you purchasing the equipment?
4) Are you purchasing the fixtures?

If you answer “yes” to any of the above questions, please obtain a Certificate of No Tax Due for sales tax (or a Tax Clearance if the seller had employer withholding tax or other tax types) from the seller before you purchase the business.

If you have any questions concerning successorship, please call (573) 751-2836 or write the Department of Revenue, Business Tax, P.O. Box 3390, Jefferson City, MO 65105-3390.

Federal Privacy Notice

The Federal Privacy Act requires the Missouri Department of Revenue (Department) to inform taxpayers of the Department’s legal authority for requesting identifying information, including social security numbers, and to explain why the information is needed and how the information will be used.

Chapter 143 of the Missouri Revised Statutes authorizes the Department of Revenue to request information necessary to carry out the tax laws of the state of Missouri. Federal law 42 U.S.C. Section 405 (c)(2)(C) authorizes the states to require taxpayers to provide social security numbers.

The Department uses your social security number to identify you and process your tax returns and other documents, to determine and collect the correct amount of tax, to ensure you are complying with the tax laws, and exchange tax information with the Internal Revenue Service, other states, and the Multistate Tax Commission (Chapters 32 and 143, RSMo). In addition, statutorily provided non-tax uses are: (1) to provide information to the Department of Higher Education with respect to applicants for financial assistance under Chapter 173, RSMo; and (2) to offset refunds against amounts due to a state agency by a person or entity (Chapter 143, RSMo). Information furnished to other agencies or persons shall be used solely for the purpose of administering tax laws or the specific laws administered by the person having the statutory right to obtain it as indicated above. (For the Department of Revenue’s authority to prescribe forms and to require furnishing of social security numbers, see Chapters 135, 143, and 144, RSMo.)

You are required to provide your social security number on your tax return. Failure to provide your social security number, or providing a false social security number, may result in criminal action against you.

12. Motor Vehicle Leasing Sales Tax: Indicate whether or not your company will lease motor vehicles that were purchased tax exempt because the exemption for motor vehicles purchased for leasing was claimed. Your company will be responsible for charging the retail sales rate of tax where the lessee is located. This includes leases that are completed between a Missouri dealer, as your agent, and a Missouri customer, even if your out of state company is carrying the lease.

13. Motor Vehicle Leasing from Out-of-State: Indicate if your company is an out of state company that leases motor vehicles to a Missouri resident where the lease is entered into outside Missouri and the motor vehicle is delivered to the lessee outside Missouri. Your company will be responsible for charging the highway sales tax rate where the lessee is located. You will need to provide a list of the lessee's locations in Missouri.

14. Out-of-State Businesses: Only out-of-state businesses need to complete this section. It helps us determine whether you should report sales tax, use tax, or withholding tax.

15. Ownership Type: Check the appropriate ownership type for your business. Be sure to include your charter number, certificate of authority number, limited partnership number, limited liability partnership number, or limited liability number issued by the Secretary of State. If you are a non-Missouri corporation, include the state of incorporation and date issued.

16. Previous Owner: If a business was previously operated at this location or you purchased any portion of the business from a previous owner, you must complete this section. Protect yourself by obtaining a copy of a "No Tax Due" statement from the previous owner of the business. The Department only issues this statement if requested by the previous owner and all sales or use taxes are paid in full. See page ii for Business Buyer Beware.

17. Business Mailing Address: The Department mails reporting forms as well as confidential and non-confidential correspondence to the business address listed on #4. If you want to direct your mail to an address other than the business address for any of your taxes, enter that address here and check the appropriate boxes. Your registration will not be complete unless we receive all requested information. Attach a list of officers, partners, and members if you cannot fit them all on this page.
24-29. Sales or Use Tax: Complete this section if you are going to make retail sales subject to sales, vendor’s use, or consumer’s use tax.

Consumer’s Use Tax: Unlike sales tax, which requires a sale at retail in Missouri, use tax is imposed directly upon the person who stores, uses, or consumes tangible personal property in Missouri. Use tax does not apply if the purchase is from a Missouri retailer and subject to Missouri sales tax. A seller not engaged in business is not required to collect Missouri tax but the purchaser in these instances is responsible for remitting use tax to Missouri. If an out-of-state seller does not collect use tax from the purchaser, the purchaser is responsible for remitting the use tax to Missouri. A purchaser is required to file a use tax return if the cumulative purchases subject to use tax exceed $2,000 in a calendar year.

Vendor’s Use Tax: If an out-of-state vendor makes sales of goods to a final consumer located in Missouri and the vendor has sufficient nexus with Missouri, the vendor is required to collect and remit Missouri vendor’s use tax. The vendor is required to obtain a Missouri Use Tax License and post a bond.

24. Retail Sales Tax License cannot be issued without a taxable begin date. If you are a seasonal business, check the months in which you will make sales. We will only require you to file a return in the months you check.

27. Filing Frequency: Your filing frequency is determined by the amount of state sales tax due. Multiply your anticipated monthly taxable sales by 4 percent to arrive at your estimated monthly liability.

28-29. Bond: Missouri law requires a bond for all new businesses making retail sales. Use this formula to determine your bond and indicate the type of bond you are submitting. If you compute the bond at less than $500, submit the minimum $25 bond ($500 minimum bond if you sell liquor). Attach the appropriate bond form to your registration based on the type of bond checked.

Visit https://dors.mo.gov/tax/strgis/index.jsp to obtain your tax rate.

30-32. Corporate Income or Franchise Tax: Businesses taxed as a corporation by the Internal Revenue Service must complete this section.

33-36. Withholding Tax: The withholding tax filing frequency is based upon the amount of withholding tax you will be remitting to the Department. If you will be remitting over $9,000 in withholding tax per month, you are required to pay quarter-monthly (weekly). Your payment(s) should be sent to the Department electronically. Currently, there are two methods available for electronic filing and payment:

1.) ACH credit through the Department’s TXP bank project; and
2.) Internet filing through the Department’s vendor, Collector Solutions.

For information on electronic filing through ACH credit, visit http://dor.mo.gov/business/electronic.php, send an e-mail to elecfil@dor.mo.gov, or call (573) 751-3900. For information on electronic filing through the Internet, visit http://dor.mo.gov/business/payonline.php.

37. Courtesy Mailing Address: We will mail certain duplicate withholding notices to an address other than your mailing address (for example, owner address).

38. Transient Employer: If defined as a transient employer pursuant to Title XVIII, Chapter 285,230, RSMo, please calculate the amount of your bond. If you are unsure if you qualify as a transient employer or require transient employer bond forms, please contact the Taxation Division, P.O. Box 357, Jefferson City, MO 65105-0357 or call (573) 751-0459 (TTY (800) 735-2966).

Signature: An owner, officer, partner, member or responsible party must sign the application and be listed as an owner. If a power of attorney signs the application, you must include a Power of Attorney (Form 2827) signed by an owner listed on the application.

Confidentiality: To ensure your tax records are protected and confidential, the Department will not release tax information to anyone who is not listed in our records as an owner, partner, member, or officer for your business. If your partners, members, or officers change, you must update your registration with the Department by completing Registration and Exemption Change Request (Form 126), before we can release tax information to those new partners, members, or officers. If you would like the Department to release tax information to an accountant, tax preparer, or another individual who is not listed on your account, please complete a Power of Attorney Form. (Visit our website at http://dor.mo.gov/forms/ to obtain Power of Attorney (Form 2827).

Confidentiality of Tax Records

Missouri Statute 32.057, RSMo., states that all tax records and information maintained by the Missouri Department of Revenue are confidential. The tax information can only be given to the owner, partner, member, or officer who is listed with us as such. If you wish to give an employee, attorney, or accountant access to your tax information, you must supply the Department with a power of attorney to grant the authority to release confidential information to them. Visit http://dor.mo.gov/forms to obtain a Power of Attorney (Form 2897).
Sales and Use Tax: Missouri Statute 144.087, RSMo, requires all applicants for a sales and use tax license and all licensees in default to post a bond in the amount of three times their monthly sales and use tax liability. This amount is estimated in the case of a new business, otherwise based on the past 12 months tax liability of the business in the case of an existing business or previously operated business. The owner’s name on the bond form must be in the name of the sole owner, all partners, corporation’s name, limited partnership’s name, or limited liability company’s name. Listed below are the types of bonds that may be posted, the information necessary for correctly filing the bond, and the method for figuring the amount of the bond.

**Important** If you are making retail sales without a valid Missouri sales tax license, you are in violation of Missouri law. You may be guilty of a misdemeanor and penalized up to $10,000.

**Transient Employer:** Missouri Statute 265.230, RSMo, a transient employer must file a bond with the Department unless they meet all the exemption criteria listed in 265.230(2). The amount of bond shall not be less than the average estimated quarterly withholding and unemployment tax liabilities of the employer and in no case less than $5,000 nor more than $25,000.

**Important** If you are a transient employer and fail to file a bond, you are in violation of Missouri law. You may be guilty of a misdemeanor and penalized up to $5,000 and will not be able to perform work in Missouri.

### Computing the Amount of Sales and Use Tax Bond

#### Estimated Monthly Gross Sales X 7.203% (Average Tax Rate) = Monthly Tax

(Example) Mr. X will be opening a new sporting goods store in the city limits of City A which has a tax rate of 7.056 percent. Because the business will be making retail sales, Mr. X must estimate the average gross sales per month in order to compute the bond. The estimated monthly gross is $15,000. Mr. X estimated his average gross sales to be $7,000 per month. This is how Mr. X computed his bond: $7,000 X 7.056% = $494. $494 X 3 = $1,482. Amount of bond = $1,480.

If you are unable to estimate your bond, you may contact the Taxation Division for assistance. The Taxation Division reviews the bond amount to ensure it is sufficient in accordance with the Missouri Statutes. The following items are taken into consideration when determining a sufficient bond amount: previous ownership of business, types of products or services sold, location of business, business hours, operating expenses, etc.

1. Filing a cash bond, surety bond, Irrevocable Letter of Credit, or a Certificate of Deposit for the additional amount. Refer to the above requirements for each bond.
