## 1831/2000 SIDNEY STREET COMMUNITY IMPROVEMENT DISTRICT

### FISCAL YEAR 2023-2024 PROPOSED ANNUAL BUDGET

This **Proposed Annual Budget FY 2023-2024** of the 1831/2000 Sidney Street Community Improvement District (the “CID” or the “District”) constitutes the annual budget of the CID pursuant to Section 67.1471.3 RSMo. The CID was established by the City of St. Louis, Missouri (the “City”) pursuant to Ordinance No. 69802. The fiscal year of the CID is, pursuant to Section 67.1471.1 of the CID Act, the same as the fiscal year of the City, which is July-June. This budget sets forth the expected and estimated revenues and expected and proposed expenditures of the CID as contemplated by its Board of Directors for FY 2023-2024 as of the date of adoption. This budget is not intended to and does not limit the CID or its Board of Directors in any way in the event that actual revenues or expenditures vary from those stated herein.

#### 1. Expected Expenditures

The only expected expenditures of the CID for FY 2023-2024 are payment of principal and interest on the “CID Note” which has been issued in order to finance certain improvements and services to the property within the District and payment of District administrative costs. It is expected that all revenues received by the District, after the cost of collection and certain costs of administration of the District, will be expended to pay the principal and interest on such CID Notes and District administrative costs. The exact amount of such expenditures is not yet determined and is contingent upon the actual tax revenues generated within the District.

The expected and proposed expenditures are set forth in more detail in the attached worksheet.

#### 2. Expected Revenues

The revenues expected depend on the amount of taxable retail sales within the District in FY 2023-2024. Pursuant to Resolution 2014-03, the CID has imposed a sales and use tax upon all taxable retail sales within the District in the amount of one percent (1%), which started generating revenue in January, 2015.

The estimated revenue is \$59,000.00, as set forth in more detail in the attached worksheet.

#### 3. Rates of Assessments

Pursuant to the CID Petition approved by Ordinance No. 69802, the CID has no power to impose special assessments upon real property within the District.

#### 4. Rates of Taxes

Pursuant to Resolution No. 2014-003 of the CID, which resolution was subsequently approved by the qualified voters of the District, the CID has imposed a sales and use tax upon all taxable retail sales within the District in the amount of one percent (1%). Pursuant to the CID Petition approved by Ordinance No. 69802, the CID has no power to impose any real property tax.

5. Debt and other Obligations

The CID has not incurred any debt or other obligations, but has issued a CID Note as described above.
