

# **ANNUAL BUDGET FOR FY 2024**

This Annual Budget for the 2024 fiscal year of the Chouteau Crossing Community Improvement District (the “CID” or “District”) constitutes the proposed annual budget of the CID pursuant to Section 67.1471.2, RSMo. The Missouri Community Improvement District Act (the “CID Act”) requires the CID to adopt an annual budget setting forth expected expenditures and revenues from taxes of the CID. The fiscal year of the CID is the same as the fiscal year of St. Louis, MO, which runs from July 1 to June 30 of each year. This budget sets forth **expected** revenues and expenditures of the CID as contemplated by its Board of Directors for the fiscal year beginning July 1, 2023 through June 30, 2024. Actual revenues and expenditures may vary due to a variety of factors that are unknown at this time, including, the costs of administration of the CID and the amount of taxable retail sales within the CID. The CID was formed in August 2009. There are no major changes to the 2024 fiscal year budget when compared to previous year’s budget in regard to the source of the CID’s revenues or the types of expenditures. This budget is not intended to and does not limit the CID or its Board of Directors in any way in the event that the actual revenues or expenditures vary from those stated herein.

## **1. Expected Revenues**

The revenues expected by the CID are based on the amount of taxable retail sales within the District in FY 2023. Based on past performances of the retailers within the CID, it is estimated that such revenues will be approximately \$115,000. Please note that this is only a projection based on potential taxable retail sales within the CID and is subject to change.

## **2. Expected Expenditures**

All revenue of the CID is specifically dedicated to the following: 1) the reimbursement of the property owner for costs associated with the administration of the CID, including legal fees and other professional fees; 2) the payment of principal and interest on the City of St. Louis, Missouri Taxable Tax Increment Revenue Note (Chouteau Crossing Redevelopment Project-Phase 1), Series 2012-A.

## **3. Rates of Assessment**

The CID has not imposed any special assessments upon real property within the District.

## **4. Rates of Taxes**

Pursuant to Resolution No. 2009-04 of the CID, which resolution was subsequently approved by the qualified voters of the District, the CID has imposed a sales tax upon all

taxable retail sales within the District in the amount of one percent (1%). The CID has not imposed any real property tax or special assessments.
