## BUDGET MESSAGE

Pursuant to the Community Improvement District Act, Sections 67.1401 to 67.1571 of the Revised Statutes of Missouri, as amended (the "*CID Act*"), the Eureka Pointe Community Improvement District (the "*District*") was formed by Ordinance No. 1876 of the Board of Aldermen of the City of Eureka, Missouri (the "*City*") passed and approved on December 20, 2005 (the "*Ordinance*").

The Ordinance established the District to support the development of the Projects referenced in the Ordinance by providing revenues to repay any obligations issued in relation to the Projects.

On February 23, 2006, in accordance with the CID Act and the Ordinance, the Board of Directors of the District approved Resolution No. 06-004, authorizing the District to impose community improvement district sales and use taxes at the rate of one-half of one percent (1/2%) and three-eighths of one percent (3/8%), respectively (collectively, the "*CID Sales Tax*"), upon approval by the qualified voters of the District, which CID Sales Tax is levied upon the receipts from the sale at retail of all tangible personal property or taxable services at retail within the District, if such property and services are subject to taxation by the State of Missouri pursuant to the provisions of Sections 144.010 to 144.525 of the Revised Statutes of Missouri, as amended, except such CID Sales Tax shall not apply to the sales of motor vehicles, trailers, boats or outboard motors and sales to or by public utilities and providers of communications, cable, or video services. The CID Sales Tax became effective on October 1, 2006, following its approval by the qualified voters of the District at a mail-in election held in accordance with Section 67.1545.1 of the CID Act.

Pursuant to a Development Agreement dated as of August 31, 2004, as amended by the Agreement Addendum dated December 20, 2005, between the City and Holloway, L.L.C. (the "*Developer*"), the Developer agreed to construct and implement certain of the Projects and the parties agreed to the formation of the District to finance the Projects.

On September 28, 2006, the District's Board of Directors adopted Resolution No. 06-006 approving a Ground Lease between the Developer and the District, pursuant to which the Developer leased certain of the Projects to the District and the District agreed to issue its revenue notes as payment of rent to the Developer. Also, on September 28, 2006, the District's Board of Directors adopted Resolution No. 06-009 authorizing the District to issue its Community Improvement District Sales Tax Revenue Notes, Series 2006 (the "*Notes*"), in an aggregate principal amount of \$600,000, which Notes are secured by a Trust Indenture dated as of November 1, 2006 (the "*Indenture*") between the District and UMB Bank, N.A., as trustee (the "*Trustee*").

Pursuant to the Indenture, the District covenants and agrees that the officer of the District at any time charged with the responsibility of formulating budget proposals is hereby directed to include in the budget proposal submitted to the Board of Directors of the District for each fiscal year that the Notes are outstanding a request for an appropriation of the Net Revenues (as defined below) on deposit in the CID Trust Fund (as defined in the Indenture) for transfer to the Trustee for deposit in the Revenue Fund (as defined in the Indenture) and application in accordance with the terms of the Indenture.
