Complete this form if you are a Missouri resident, resident estate, or resident trust with income from another state(s). A part-year resident may elect to use this form to determine his or her tax as if he or she were a resident for the entire taxable year. If you pay tax to more than one state, you must complete a separate Form MO-CR for each state. Before you begin:

- Complete your Missouri return, Form MO-1040 (Lines 1 through 24).
- Complete the other state's return(s) to determine the amount of income tax you paid to the other state(s).

Line 1 - Enter the amount from Form MO-1040, Line 5Y and 5S.

- Line 2 Enter the amount from Form MO-1040, Line 24Y and 24S.
- Lines 3 and 4 Enter the total amount of wages, commissions, and other income you or your spouse received from the other state(s), as reported on the other state(s) return.

Line 5 - Add Lines 3 and 4; enter the total on Line 5.

Line 6 - Enter any federal adjustments from: • Federal Form 1040, Line 36

Line 7 - Subtract Line 6 from Line 5. Enter the difference on Line 7.

Line 8 - Divide Line 7 by Line 1. If greater than 100 percent, enter 100 percent. Round in whole percent, such as 91 percent instead of 90.5 percent. If percentage is less than 0.5 percent, use exact percentage. Enter percentage on Line 8.

Line 9 - Multiply Line 2 by percentage on Line 8. Enter amount on Line 9.

HI - Hawaii

KS - Kansas

- Line 10 Enter your income tax liability as reported on the other state(s) income tax return. This is not income tax withheld. The income tax entered must be reduced by all credits, except withholding and estimated tax. If both you and your spouse paid income tax to the other state(s), each must claim his or her own portion of the tax liability.
- Line 11 Enter the smaller amount from Form MO-CR, Line 9 or Line 10. This is your Missouri resident credit. Enter the amount on Form MO-1040, Line 25Y and 25S. (If you have multiple credits, add the amounts on Line 11 from each MO-CR). Your total credit cannot exceed the tax paid or the percent of tax due to Missouri on that part of your income.
