Sales Tax Return (Form 53-1) Instructions

Important: This return must be filed for the reporting period even though you have no tax to report.

Amended Return Check Box - This box should be checked to correct a previously filed return to show an increase or decrease in the amount of tax liability. A separate return must be filed for each period being amended. If the return and payment are being submitted after the period(s) due date, interest and penalty will apply to the additional amount being reported.

Please note if an overpayment has been authorized, the overpayment is subject to be used as an offset towards any debt. In addition, to receive a refund of the overpayment attach a Seller's Claim for Sales or Use Tax Refund or Credit (**Form 472S**).

Filing Frequency – This is the frequency in which you are required to file your returns. Not a required field. If unknown leave blank.

Examples:

Type of Filer:	Annual Filer	Monthly	Quarterly
Period(s)	2021	February 2022	1st Qrt 2022 (Jan - Mar)
Reporting Period (MM/YY)	12 21	02 22	03 22

Owner and Business Name, Address, City, State and ZIP Code – Enter the name, address, city, state and ZIP code. Note: In the event your mailing address, primary business location, or a reporting location has changed you will need to complete the Missouri Registration Change Request (**Form 126**) and submit it with your return.

Line 1- Totals (All Pages) – Enter the total gross receipts, adjustments, taxable sales, and tax due for all pages.

Each page must have a breakdown per business location identifying the item code, site code, gross receipts, adjustment, taxable sales, and amount of tax. See the page two instructions for more information. If a breakdown is not provided, your filing will be considered incomplete and may be subject to penalties and interest. Attach additional pages if necessary.

Adding New Locations – This box should be checked when adding a new business location(s). The location information (street address and city) on page two or subsequent pages must be completed when this box is checked. A breakdown per location which identifies the item code, gross receipts, adjustments, taxable sales, and amount of tax must also be provided. See page two instructions for more information.

Final Return – If this is your final return, enter the close date and check the reason for closing your account. Missouri law requires any person selling or discontinuing business to make a final sales tax return within 15 days of the sale or closing.

Line 2 – Subtract: 2% Timely Payment Allowance – Multiply total amount of tax by 2% and enter the amount on this line. If the return is late the discount is not allowed.

Line 3 – Subtract: Quarter-Monthly Payments Submitted – If you are a quarter-monthly filer and have made payment(s) on the period, enter amount of payment(s) that have been made. If you are a registered user of the Missouri Portal you can access the amount of payments made under your tax account.

Line 4 – Subtract: Approved Credit – This is a credit that has been approved by the Department of Revenue.

Line 5 – Balance Due – Amount of Tax from line 1 minus line 2, 3 and 4 (if applicable).

Line 6 – Add Interest for Late Payments – If tax is not paid by the due date, (A) multiply Line 5 by the daily interest rate*. Then (B) multiply this amount by the number of days late. See example below. Note: The number of days late is counted from the due date to the postmark date.

For example, if the due date is March 20, and the postmark date is April 9, the payment is 20 days late. The example below is based on an annual interest rate of 4% and a daily rate of .0001096.

Example: Line 5 is \$480

(A) $\$480 \times .0001096 = .05261$

(B) $.05261 \times 20 \text{ days late} = 1.05$

1.05 is the interest for late payment

Sales Tax Return (Form 53-1) Instructions Continued

*The annual interest rate is subject to change each year. Visit <http://dor.mo.gov/inrates.php> to access the annual interest rate. Visit <http://dor.mo.gov/calculators/interest/> for assistance calculating the appropriate interest.

Lines 7 – Add Additions to Tax – For failure to pay sales tax on or before the due date, calculate 5% of Line 5. For failure to file a sales tax return on or before the due date, calculate 5% of Line 5 for each month late up to a maximum of 25% (5 months late in filing = 25%). Note: If additions to tax for failure to file apply, do not pay additions to tax for failure to pay.

For example, if a return due March 20 is filed any time between March 21–April 20, the rate would be 5%; if filed any time between April 21–May 20, the rate would be 10%; and so on, up to a maximum of 25%.

Example: Return is due March 20, but is filed (postmarked) April 10
Line 5 is \$480
 $\$480 \times 5\% = \24
\$24 is the additions to tax

Example: Return is due March 20, but is filed (postmarked) April 21
Line 5 is \$480
 $\$480 \times 10\% = \48
\$48 is the additions to tax

Access <http://dor.mo.gov/calculators/interest/> for assistance calculating the appropriate additions.

Line 8 – Pay This Amount – Enter total amount due (Line 5 “plus” Line 6 “plus” Line 7). Send a check for the total amount.
